# REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

#### INDEPENDENT AUDITOR'S REPORT

Board of County Commissioners Washington County, Oregon Hillsboro, Oregon

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Washington County, Oregon, (the County) as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated January 28, 2020. Our report includes a reference to other auditors who audited the financial statements of Clean Water Services, a discretely presented component unit of the County, as described in our report on the County's financial statements. The financial statements of Clean Water Services were not audited in accordance with *Government Auditing Standards*.

#### INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control, described in the accompanying Schedule of Findings and Questioned Costs as items 2019-001 and 2019-002, that we consider to be significant deficiencies.

# REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (Continued)

#### **INDEPENDENT AUDITOR'S REPORT (Continued)**

#### **COMPLIANCE AND OTHER MATTERS**

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matter that is required to be reported under *Government Auditing Standards* and which is described in the accompanying Schedule of Findings and Questioned Costs as item 2019-001.

#### **COUNTY'S RESPONSE TO THE FINDING**

Talbot, Kovola of Warwick, LLP

The County's response to the findings identified in our audit is described in the accompanying Schedule of Findings and Questioned Costs. The County's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

#### **PURPOSE OF THIS REPORT**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

#### INDEPENDENT AUDITOR'S REPORT

Board of County Commissioners Washington County, Oregon Hillsboro, Oregon

#### REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM

We have audited Washington County, Oregon's (the County) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2019. The County's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

#### MANAGEMENT'S RESPONSIBILITY

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

#### OPINION ON EACH MAJOR FEDERAL PROGRAM

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

#### REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE (Continued)

#### **INDEPENDENT AUDITOR'S REPORT (Continued)**

#### **OTHER MATTERS**

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying Schedule of Findings and Questioned Costs as item 2019-001. Our opinion on each major federal program is not modified with respect to these matters.

The County's response to the noncompliance finding identified in our audit is described in the accompanying Schedule of Findings and Questioned Costs. The County's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

#### REPORT ON INTERNAL CONTROL OVER COMPLIANCE

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified a certain deficiency in internal control over compliance, as described in the accompanying Schedule of Findings and Questioned Costs as item 2019-001 that we consider to be a significant deficiency.

The County's response to the internal control over compliance finding identified in our audit is described in the accompanying Schedule of Findings and Questioned Costs. The County's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE (Continued)

#### **INDEPENDENT AUDITOR'S REPORT (Continued)**

#### REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM **GUIDANCE**

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the County's basic financial statement. We issued our report thereon dated January 28, 2020, which contained unmodified opinions on those financial statements. We did not audit the financial statements of Clean Water Services, a discretely presented component unit of the County, as described in our report on the County's financial statements. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Clean Water Services, is based solely on the report of other auditors. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the financial statements as a whole.

Lake Oswego, Oregon January 28, 2020

Notes to Schedule of Expenditures of Federal Awards
Fiscal Year Ended June 30, 2019

#### General

The accompanying Schedule of Expenditures of Federal Awards (Schedule) presents the activity of all Federal assistance programs of Washington County, Oregon (County) and its component units. The County's reporting entity is defined in Note 1 to the County's basic financial statements. Financial assistance received directly from Federal agencies as well as financial assistance passed through others is included on the schedule.

#### **Basis of Presentation**

The Schedule includes the federal award activity of the County under programs of the federal government for the year ended June 30, 2019. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the County, it is not intended to and does not present the financial position, changes in net position, or cash flows of the County.

#### **Summary of Significant Accounting Policies**

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The County has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

#### **HOME Program**

The County's Office of Community Development makes loans to developers for the construction of low-income housing units. The seed money for these loans used to establish the program initially was provided through Federal funds under the HOME Program. The program's responsibility over these loans is to ensure that a specified percentage of the total rental units are rented to low-income individuals.

<u>Program</u>	Federal CFDA* Number		Expenditures Year Ended June 30, 2019	Loans Outstanding June 30, 2019
HOME	14.239	\$	152,611	30,243,259

<sup>\*</sup>Catalog of Federal Domestic Assistance

#### Non-cash Federal Financial Assistance

Non-cash Federal Assistance includes food donations provided by the U.S. Department of Agriculture for the National School Lunch Program.

<u>Description</u>	<u>Federal CFDA Number</u>	Expenditures Year Ended June 30, 2017
Food Donation	10.553	\$ 9,779
Food Donation	10.555	15,955

Notes to Schedule of Expenditures of Federal Awards
Fiscal Year Ended June 30, 2019

#### **Section 8 Housing Choice Vouchers Program (CFDA 14.871)**

The County interprets guidance such that for the Section 8 Housing Choice Vouchers Program, recognition on the Schedule of Expenditures of Federal Awards should reflect current year program revenue, specifically Section 8 Voucher dollars received, net of year-end adjustments.

Housing Voucher Cluster

Dollar threshold used to distinguish

between type A and type B programs

\$2,380,990

Auditee qualified as low-risk auditee?

No

#### SCHEDULE OF FINDINGS AND QUESTIONED COSTS (Continued)

#### YEAR ENDED JUNE 30, 2019

#### **SECTION II – FINANCIAL STATEMENT FINDING**

Finding 2019-001 Refer to Section III.

#### Finding 2019-002 (repeat of 2018-001)

Criteria: The County has a system of internal controls over financial reporting; however, it is

not consistently followed.

Condition: Lack of following existing internal controls were noted.

Context: During our test of controls over the revenue cycle, it was noted that there was no

evidence of a review of daily cash reconciliations and cash receipts by someone other than the preparer prior to submission to the Finance Department being

consistently performed.

Effect: Lack of following existing internal controls and delayed and ineffective review has

the potential to cause significant misstatements in the financial statements.

Cause: Personnel turnover due to retirements; new roles and assignments; resource

constraints; need for improved training; and lack of emphasis on internal controls.

Recommendation: We recommend that the County provide training to employees to enable effective

review and emphasize the importance of a strong control environment to help

ensure an effective review over financial reporting.

Views of Responsible

Officials: The County understands and concurs with the finding.

#### SECTION III - FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

#### Finding 2019-001

Federal Program: CFDA 14.155 Mortgage Insurance for the Purchase or Refinancing of Existing

Multifamily Housing Projects (Section 223f/207)

Federal Agency: U.S. Department of Housing and Urban Development

Award Year: 2018-2019

Criteria: 2 CFR part 200, appendix XI, and per HUD Handbook 2000.04, Chapter 3: I. Cash

Disbursements and H. Cash Receipts requires the County and Authority to have a system of internal controls over financial reporting to ensure support, evidence of

review, and proper recognition of expense and revenue items.

Condition: Internal controls over compliance requirements A. Activities Allowed or Unallowed, B.

Allowable Costs/Cost Principles, and J. Program Income of the 2019 Office of Management and Budget *Compliance Supplement* were found not to be implemented as designed. Procedures to retain appropriate documentation, maintain evidence of review, make timely deposits, monitor collectability of accounts receivable, and properly cutoff accounts payable were not properly followed by property management

personnel.

#### SCHEDULE OF FINDINGS AND QUESTIONED COSTS (Continued)

#### YEAR ENDED JUNE 30, 2019

#### SECTION III - FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS (Continued)

#### Finding 2019-001 (Continued)

Questioned Costs: There was \$6,814 of unsupported administrative and repair and maintenance

expense items out of a total tested amount of \$25,258. There was also rental income net of vacancy loss unsupported amounts of \$(1,071) out of a total tested net rental

revenue amount of \$10,067.

Context: During our testing, the property management company was unable to provide support

for ten administrative and repair and maintenance expense items out of a sample of 35 items and five rental revenue items out of a sample of 38 items. In addition, \$1,075 of accounts payable was not recorded at year end, and \$6,694 of accounts receivable appears to be uncollectible and an allowance for doubtful accounts was

not recorded.

Effect: Financial reporting may include improperly recognized expenses, revenue, accounts

payable and accounts receivable.

Cause: The cause appears to be attributable to lack of training and knowledge by property

management personnel.

Recommendation: Relevant property management company personnel should be properly trained and

adhere to established financial reporting procedures.

View of Responsible

Officials: Management of the County and Authority understands and concurs with the finding

and recommendation.

#### **SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS**

#### YEAR ENDED JUNE 30, 2019

#### Finding 2018-001

Condition: Various misclassifications and lack of following existing internal controls were

noted.

**Corrective Action** 

Taken:

The County believes strongly in training and the importance of a strong internal control environment. During the FY 2018-19 budget process, a position in Finance was requested and approved to help improve county-wide finance training for various fiscal policies and procedures including cash handling, revenue and expenditure classifications, capital assets classifications, and approving journal entries and various reconciliations. This recruitment was completed in April of 2019. This position will be working with departments to assure compliance with internal controls and training new County staff or those new to their position to avoid these matters in the future. Management takes these findings very seriously and are working to ensure that staff not only have thorough understanding on how these policies and internal controls work, but that they are also are committed to the importance of these controls to the operations at the County.
