Regional Coordination Potential Issue Areas

The tri-county advisory body will lead a planning process to develop recommendations for regional coordination related to these and other issue areas as identified:

- ***Regional capacity:*** strategies to strengthen regional supportive housing capacity, including but not limited to: coordination of capital investments funded by the regional affordable housing bond and other sources, development of a regional model of long-term rent assistance, and expanded system capacity for culturally specific housing and services;
- ***Systems alignment:*** coordination and integration between the housing and homeless service systems, as well as other systems serving people experiencing homelessness, including the healthcare, education, workforce and criminal justice systems; and
- ***Standards and metrics:*** regional performance metrics to measure the impact of specific program types, regional system indicators to measure changes in the population experiencing homelessness, consistency in program evaluation standards and procedures, standards for culturally responsive services, and standardized data definitions, data collection methods and quality control.
