Impaired Driver Collides with Patrol Vehicle on Highway 26

October 29, 2017 – An impaired driver collided with a Washington County Sheriff's Office patrol vehicle this morning on Highway 26 while the deputy was conducting a traffic stop.

On Sunday, October 29, 2017, at 5:38 a.m., a deputy with the Washington County Sheriff's Office was on a traffic stop on Highway 26 between the Sylvan exit and Highway 217 when his patrol vehicle was struck by a 2006 Honda Civic traveling west. The deputy was outside of his patrol vehicle at the time and no one was injured.

Beaverton Police responded and handled the subsequent investigation.

At its conclusion, Dhivyasimhon Sridharan, 26, of Portland, was cited into Beaverton Municipal Court for DUII (alcohol and cannabis) and Careless Driving. There is no booking photo available.

DUII is a 100% preventable crime. The Washington County Sheriff's Office encourages the public to designate a driver when they consume substances that could impair their ability to drive. Other alternative forms of transportation, such as taxis or app-based Uber or Lyft, are readily available in the metro area.
