#### **SUMMARY:**

Washington County Health and Human Services, the County Administrative Office and County Counsel are bringing forward a request for consideration of a second declaration of emergency related to COVID-19. We are simply requesting an extension of the order adopted on March 4<sup>th</sup>, 2020. No expansion of authority is requested.

Two individuals in Washington County have presumptively tested positive for the novel coronavirus, COVID-19. Our Public Health Division is working on many fronts to support activities that keep our community safe. Approving a declaration of emergency will allow for additional resources to assist in the response to COVID-19. The declaration will also provide the Board with more tools to use to address COVID-19.

A declaration of emergency is authorized under Chapter 8.36 of the Washington County Code. A declaration lasts 14 days.

Before requesting that the Board take action on the declaration, Public Health staff will provide a COVID-19 update.
