Believe in Beaverton

I grew up in the heart of Beaverton. Over the years I have witnessed changes that led some in our communities to thrive and others to be left behind. Rising home costs have resulted in many Beaverton workers not able to afford to live here. I'll partner across all regional governments to ensure we are maximizing our resources to build affordable housing and I will work to create opportunities for affordable home ownership.

As chair of the Tualatin Hills Park and Recreation District Board, I led through the COVID-19 pandemic, prioritized racial equity, and advocated for our community.

I believe we can create a better future for all residents of Beaverton through enacting policy that is equitable and investing in the things that matter most: COVID-19 recovery, affordable housing, limiting our impact on our one Earth, and smart growth that ensures people can thrive in Beaverton for generations to come.

I AM SELF-FUNDING MY CAMPAIGN AND DONATING COUNCILOR COMPENSATION TO LOCAL NONPROFITS

I am indebted to the American People. Taxpayers pay me through my military pension to continue my long tradition of public service which I feel is my duty. Let's get multinational corporate campaign financing out of local politics ensuring politics isn't the domain of those of financial means.

MY WORD IS MY BOND

Awarded the **Bronze Star** and the **Legion of Merit**: "Lieutenant Colonel Jerome Sibayan's exemplary record of selfless service...resulted in significant and lasting contributions to the security of the Nation."
