CASEFILE #: _____

DESIGN & INSPECTION OPTION FORM

Date _____

I, _____, being the developer of _____, hereby notify the Washington County Department of Land Use and Transportation that I have elected to have all road design and inspection services for the public or proposed public improvements, in conformance with Washington County Standards and specifications, performed by _____ with the firm of _____.

Developer's Signature

AFFIDAVIT OF CONFORMANCE TO DESIGN & INSPECTION STANDARD

I, _____, hereby notify Washington County that I shall design all public or proposed public improvements to be in compliance with minimum County Road Standards. Any modifications to these standards shall be noted in a letter stating why they are needed and that the resulting design addresses the operation and safety of the proposed modification. Any modification request will be stamped and signed by me. Any modification requires written County approval. **In case of modification requests only, I certify that I have, and submit a certificate of Professional Liability Insurance (to cover errors and omissions) in an amount no less than \$500,000. I understand this insurance is needed prior to any modifications being approved by the County.**

I, _____, hereby also notify Washington County that I shall perform or cause the performance of all services as shown in the "Private Construction Inspection Requirements for Public Improvements" document, adopted November 3, 1987, by the Director of Land Use and Transportation. Also, for this service, I will submit a certification of completion as required by the county. **I also certify that I have no corporate, partnership or any form of real property interest in the above named development, nor does the firm or any member of the firm I am employed with.**
