

SAMPLE AFH House Rules

1. Resolve conflict without fighting. Bring conflicts to the attention of the provider.
2. Treat each other's personal space, property & feelings with respect, including:
 - a. No stealing or unauthorized use of other people's stuff.
 - b. No loud music except by permission of other people in the home.
 - c. Keep cursing to a minimum. No ethnic or sexual slurs will be tolerated.
 - d. Knock and request permission before entering someone else's bedroom.
 - e. No explicit or pornographic materials in public areas of the home.
3. ALWAYS inform staff when planning to leave the property.
4. Visitors are welcome to the home. Provider reserves the right to refuse visitors based on safety concerns
4. No alcohol or illegal drugs are allowed on home premises.
5. The use of medical marijuana is prohibited in the home
6. In accordance with Oregon's Indoor Clean Air Act, no smoking or vaping is allowed inside the home or in provider or staff vehicles. Smoking is allowed in the designated smoking area in the back yard. Ashtray must always be at least 10 feet from any entrance, exit, window that opens, ventilation intake, or accessibility ramp.
7. Three nutritious meals are provided each day. Snacks are available by request at any time. Use of the kitchen by residents requires supervision by staff for safe & sanitary practices.
8. When notified of substantiated abuse, AFH provider will immediately provide written notification to: individuals in the AFH, county services coordinators, individual's legal guardians and the individual found to have committed the abuse. This notice will include the date and type of abuse and how to obtain public record of the abuse report.
