**SUMMARY:** State law allows for the manufacturing, transportation, delivery, sale, and purchase of psilocybin, the psychedelic drug found in certain mushrooms. State law provides that a local government may adopt an ordinance to be referred to the voters to prohibit the establishment of licensed psilocybin product manufacturers and/or psilocybin service centers.

**Explanatory Statement:** Approval of this measure would establish a prohibition on psilocybin product manufacturers and psilocybin service centers within the City of Cornelius. Psilocybin is the psychedelic drug derived from certain mushrooms.

Oregon voters legalized psilocybin through Ballot Measure 109 in 2020, which directs the Oregon Health Authority (OHA) to develop a psilocybin licensing and regulatory program for the state by January 2, 2023. As a result, OHA intends to begin accepting applications for licenses for psilocybin product manufacturers and psilocybin service centers in January, 2023.

Ballot Measure 109 allows a local government to adopt an ordinance to be referred to the voters that prohibits the establishment of psilocybin-related businesses.
