TOUGH TIMES REQUIRE A NEW DIRECTION
t.cox@verizon.net**

These are tough times for schools. I will apply my years of business and financial system management experience toward stretching Hillsboro's limited school budget. And while committed to maintaining the strengths of the Hillsboro Public School System and finding ways to enhance them, I will champion the concept of local control.

To improve quality, I will support effective central oversight by the school board while empowering individual schools. We should route all funds directly to the schools, so the 45% of the school funding which never makes it into the classroom, will.

Today, committees decide how much bureaucracy, administration, and centralized services each school needs. That must change. We should empower each principal to purchase centralized goods and services from those bureaucracies, so that each school will get as much service as it needs -- and no more. Hillsboro can lead the way with such reforms. This will drive up the quality of centralized services, while controlling costs.

As parents get more opportunities for meaningful involvement, their commitment to schools will grow. Parent committees should have more power to oversee school budgets and instructional quality.

Oregon's Department of Education just received a failing grade from the Division of Audits because it had no financial controls to prevent waste or fraud. This cannot be permitted in Hillsboro, and I will insist that every school publish its finances in a clear and understandable way, every year.

I want to bring my passion for reform to our fine local schools, and help make them even better. Thank you.

**HUGH
O'DONNELL**

OCCUPATION: Certified Public School Teacher (Retiring June 30, 2003).

OCCUPATIONAL BACKGROUND: Transportation (Driving/Supervision/Industrial Engineering); Law Enforcement; United States Army Reserve

EDUCATIONAL BACKGROUND: B.S. (Sociology); Secondary Social Studies Endorsement; 45+ Graduate Credits in education and social science; 240+ Additional Professional Development Hours in the past two years; Member of Professional Development Cadre, HSD.

PRIOR GOVERNMENTAL EXPERIENCE: None.

Strong, effective leadership needs to be demonstrated by a Board member in many areas, especially these: integrity, loyalty, and fiduciary responsibility.

A Board member can demonstrate integrity by requiring administration to provide, without "spin", all the information needed for valid decisions; by encouraging collaborative decisions; and by promoting positive and satisfying compacts between parents, teachers, and administration rather than the frustration and low morale that result from a pervasive perception of top-down, adversarial "leadership".

A Board member can demonstrate loyalty by remaining true to the community, students, parents, and building staffs, and not being a rubber stamp for district-level administration.

Finally, a Board member can demonstrate fiduciary responsibility by insisting on prioritized budgeting and spending; promoting open books (including all income sources and expenditures) with no obstructions to financial research; shedding the District of any asset which is unnecessary to the current operation of the District; and by encouraging spending oversight at all levels with information available through the District's website.

As Drill Sergeant I put my troops first and myself last. Through example, care of the men, and personal sacrifice I earned loyalty and trust.

At UPS I increased driver productivity by helping them solve job-related problems. As an in-house Industrial Engineer, I measured productivity and insured that every dollar invested in capital expenditures produced revenue.

As a teacher I am a planner, worker, supervisor, counselor, advocate, coach, and mentor.

At this most critical point in our District's history I will bring my experience and skills to work for you, listen to you, and represent you with integrity, loyalty, and fiduciary responsibility.

OCCUPATION: Analog Devices, Inc. (Integrated circuit design lab), Office Manager, 21 years.

OCCUPATIONAL BACKGROUND: Forest Grove Schools, Receptionist; RA Gray & Co., Office staff.

EDUCATIONAL BACKGROUND: Forest Grove High School Graduate; Hillsboro Chamber of Commerce Leadership graduate, 2001; Oregon School Board Association's Leadership graduate, 2001.

PRIOR GOVERNMENTAL EXPERIENCE: Current Hillsboro School District Board of Directors, 1999-Present; School District Budget Committee, 1997 - Present; Washington County Commission on Children and Families, 2001- Present; School District Citizen's Curriculum Committee, 1998 - 1999.

COMMUNITY SERVICE: Hillsboro Schools' Strategic Planning Team, 2000 - Present; Hillsboro Optimists Club, 2002 - Present; Hillsboro Schools' Legislative Cadre, 1999 - Present; SMART Reading Volunteer, Mooberry Elementary, 2000 - 2001, Brookwood Elementary PTA Co-President, 1997-1999; Brookwood Elementary Site Council, 1995 - 1997; Brookwood Elementary PTA President 1989-1990

In 1999 you elected me to serve our children and community on the School Board. I have worked hard to make sound decisions that assist parents and teachers in their important work of teaching children and preparing them for college or work. I have advocated at the Legislature in Salem for school funding, local control, and local accountability. I am a frequent visitor to classrooms, parent meetings, and other District events, because I know community input is crucial to making informed decisions.

As a parent of a Hilhi student, I know many wonderful things happen in our schools, but the challenges for public education are great. I have been actively involved in our schools for 15 years, and I believe that working together we can rise above these difficult times. With your vote I will remain a strong, dedicated advocate for Hillsboro-area children.

**KEN
PHELAN**

OCCUPATION: Retired.

OCCUPATIONAL BACKGROUND: Manufacturing Operations & Business Development.

EDUCATIONAL BACKGROUND: Graduated Minot State University.

PRIOR GOVERNMENTAL EXPERIENCE: Before unification of the Hillsboro areas schools I served on the Board of Directors for Hillsboro Elementary School Board and served as the Chairperson of the Facilities Committee and Budget Committee.

My wife Diane and I moved to Hillsboro in 1980. We watched our three children go through the Hillsboro School system from kindergarten through high school graduation. I have been an active participant in each of their educational experiences.

I am running for the Hillsboro School District Board position because I have a strong desire to be a part of the solution in educating our children today and in the future. We are currently suffering a dramatic financial crisis. We must find positive solutions for our children. Please be part of the team supporting.:

1. **Fiscal Accountability:** I am a strong believer in fact based decision making. I recognize the financial limitations of our district and possess the necessary business experience to dissect complex budgetary information and propose solutions to protect the teaching and learning of our children.
2. **Well Rounded K-12 Educational Experience:** Within the financial limitations of our funding we must provide the best educational experience for children. This experience must be a mix of classroom teaching and extra curricular activities to allow students to learn the dynamics of teamwork, discipline, responsibility and self-esteem.
3. **Performance Accountability:** The District must provide unfiltered information to patrons, board members and staff. We must be allowed to view information that is easy to understand, accurate in substance, and straightforward.

As a member of the Hillsboro School Board, I will live by my beliefs of honesty, integrity and open communication. I will strive for a collaborative board working for our number one priority - student education!

EDUCATIONAL BACKGROUND: PCC, Clark College, BYU.

PRIOR GOVERNMENTAL EXPERIENCE: HSD1J Board Member '99-'03, current chairman; HSD Budget Committee, '97-2000, chairman, '99; Hilhi Site Council, '96-'98, Chairman, '97-'98; HESD Budget Committee, '91-'92.

Optional Information:

Hillsboro Community ARTS (HCA) Board, 2001-'03, Current President; Artrain USA-Artistry of Space Chairman 2002.

Hillsboro Library Foundation

Past community involvement includes Citizen's For Schools '97 & '98 School Bond Campaign, Chamber of Commerce Leadership Class, Chamber School-To-Work committee, Community Action Organization, local and regional PTA positions, OR PTA Convention Mgmt Chairman '91.

Candidate's Statement:

Being a board member requires long hours, dedication and knowledge of current environment. Since 1982 when the first of my four children entered school, I have been involved in many different aspects. I appreciate the demands on education. Dedication and passion drives my effort toward every child achieving their highest potential.

"She cares deeply about public education in Hillsboro and in Oregon."
- Penny Hoodenpyle, Hillsboro Argus

"Her dedication – combined with the depth and breadth of her expertise – makes Susan an invaluable asset to Hillsboro schools and our community." - Ann Jensen - Hillsboro Argus

"Susan knows Hillsboro schools and is very committed to our students. She understands fiscal management and can analyze complex issues judiciously."
Edith Lippert, Hillsboro Argus

My community involvement has strengthened ties between our schools, businesses, and non-profit organizations. As your school board member I would continue advocating need for stable, adequate, equitable funding for our district, as well as local decision-making. Helping parents work alongside educators is important to the success of our students and a key goal. I believe involving students in decisions about their learning environment and opportunities is crucial to keeping students interested in school. And most importantly, I will work hard to see that decisions are made first and foremost, with the best interest of the students in mind.

PETERSON**

OCCUPATION: Attorney.

OCCUPATIONAL BACKGROUND: Practicing Attorney.

EDUCATIONAL BACKGROUND: BS, Oregon State University, JD, Willamette University.

PRIOR GOVERNMENTAL EXPERIENCE: Budget Committee member in former Hillsboro High School District.

COMMUNITY SERVICE: Involved in parent activities for our three children in Hillsboro schools. Active participant in both professional and civic organizations.

My wife Connie and I moved to Hillsboro in 1973 where I started my legal practice with Brink and Moore. Connie and I were committed to rearing our children in the Hillsboro community. Our three children received a quality K-12 education in Hillsboro Schools and our youngest will graduate from Glencoe High School this year. Today I seek to ensure this same educational opportunity for all children in the Hillsboro School District.

Classroom Education First:

During the past year, the district has suffered the financial impact of our state economy. I am committed to formulating action plans for a K-12 educational experience emphasizing the importance of student learning in the classroom. Our focus must always be - student learning!

Fiscal Responsibility:

I will bring to the Board a business background with the ability to understand complex budgetary issues. I have the necessary knowledge and experience to explore and evaluate budgetary options. Alternative funding mechanisms must be explored along with alternative spending options to ensure our children are afforded quality learning experiences. I am prepared to review, analyze and put forward solutions to protect teaching and learning for all children in our District. I recognize there will be tough financial times in the near future. My goal is to commit our educational dollars where they directly influence our children's quality education.

Board Character:

As a Board member, I will be committed to straightforward honest communication among board members, the public and staff. I am committed to fact-based decision making with the ability to articulate the issues and solutions.

OCCUPATION: Juvenile Services Manager, Washington County.

OCCUPATIONAL BACKGROUND: Operations Manager, PCC;
Business Manager and Supervisor, Multnomah County.

EDUCATIONAL BACKGROUND: BA, Human Services.

PRIOR GOVERNMENTAL EXPERIENCE: FGSD Budget Committee;
Echo Shaw PTO and Site Council; Gales Creek PTO and Site
Council.

As a native Oregonian and 23 year resident of the FGSD with 3 sons in the public schools, I believe in and will continue to support public education. My belief stems from the conviction that public education has been the thread that allows any child the opportunity for learning and helps each of them and their families achieve the American dream. Without strong public education we fail our children, our community, and our nation.

As we look into the future and make difficult funding decisions, most of which are not acceptable to the many parents in our community, we must be united in the following.

On the state level, stable funding for schools must be found and supported by the public.

The cost of benefits for our excellent educational staff must be controlled. This includes PERS and medical.

We cannot afford to overlook and minimize the value of sports, physical education, music, and clubs. We must acknowledge that these experiences are educational and enhance our children's lives.

We cannot accept that reducing days of learning is a solution. It puts the burden of our state's financial failure directly on our educational staff and on parents.

My investment in public education includes a long history of volunteering in the classroom, in parent organizations, and in public educational forums. My investment includes working with teachers, administrators, and staff for both my own children and those children I serve through work. The FGSD Board of Directors and school boards across this state face extraordinary challenges and require a commitment of time and energy for those willing to serve. I would be honored to serve this community and our great public school system in this capacity.

**We don't have a money shortage.
We only need to spend our tax money wisely.**

Failures: School taxes have doubled in the last twenty years but still only 30% of our children can read at a proficient level. Half the students at our middle schools and Tigard 10th graders fail at Oregon Math Tests. One in four Tualatin students drops out before graduating. Of those that get to college, one in five drops out in their freshman year.
www.SaferSchool.com

Security: Hundreds of knives and guns are brought into our schools. School administrators refuse to obey the law and expel dangerous students.

I wouldn't put up with a fire chief who could only put out half the fires; I won't put up with "educators" who can only educate half our children. Administrators who can't educate and protect our children will be terminated. www.SaferSchool.com

OCCUPATION: Planner, Clackamas County.
OCCUPATIONAL BACKGROUND: Member, Oregon State Bar Association; Member, Washington State Bar Association, Code Enforcement Specialist, Clackamas County; Attorney at Law; Trained Mediator.
EDUCATIONAL BACKGROUND: Seattle University School of Law, J.D.; Lewis & Clark College, B.A., Communications.
PRIOR GOVERNMENTAL EXPERIENCE: Chair, Sherwood Middle School Site Council; Member, Sherwood School District Long Range Facility Planning Committee; Environmental Commission, City of Tacoma, WA.

As the son of 2 public school teachers, I've grown up with an appreciation of and a passion for public education. That passion is the reason I'm dedicated to maintaining and improving upon the high quality of public education that Sherwood has given to its past and current students. I believe I have the passion, qualifications and judgment necessary to serve as your representative on the Sherwood School Board.

I got involved in our public school system soon after we moved to Sherwood five years ago by helping with the 2000 district levy campaign. Since then I have served on several district and school committees, joined the Sherwood Education Foundation as a board member and helped the Foundation raise nearly \$60,000 for textbooks after the 2000 levy failed and more than \$55,000 for classroom grants over the last 3 years. My community involvement also includes:

- Chair, "Calling for Kids" campaign, Sherwood Education Foundation
- Volunteer Coach, Sherwood YMCA youth sports teams and Sherwood Fireballs

With my wife Kate's support I will work hard to advocate for proper and necessary state funding for our schools and to bring new leadership and new ideas to our Board of Education.

We want our daughter Karina, a first grader at Middleton Elementary, and son Kierin, age 4, along with every child in our district to have the best possible education our schools can provide. I believe, as a school board member, I can help make that happen. Please vote for Kevin Noreen.

OCCUPATION: Vice President L.S. Henriksen Construction, Inc.
OCCUPATIONAL BACKGROUND: Field Engineer/Superintendent Turner Construction, Project Manager Hoffman Construction, Vice President Parsons Excavating.
EDUCATIONAL BACKGROUND: Diploma South Medford High School, BS Construction Management and Engineering, Washington State University.
PRIOR GOVERNMENTAL EXPERIENCE: None.

As a resident of Sherwood for the past eight years, my wife and I have found Sherwood to be the best community to raise our children. Like a great many in the Sherwood community, we have a personal investment in the future of the public schools. We have two children that will continue to attend the Sherwood public schools for the next 11 years.

I am a product of the Oregon public school system and a state university. Because of this education I have become a successful businessman, running a successful construction company. I have been forced to make tough decisions and live within budgets. I have made the management of budgets, people, and assets the focus of my career.

During these uncertain times, Sherwood needs people to stand up for the children and the taxpayers of our community. My philosophy is simple; I believe there is one best answer to every problem. The easiest way to keep an issue from becoming a problem is to be proactive, not reactive. Because Oregon's general public does not wish to support every program our State legislature wishes to fund, should not mean that our children should suffer. We should fight for the most important elements of our children's public education; but not cut programs, education days or our teachers!

I have no personal agenda. I have no aspiration of becoming the most popular public servant, just the fairest. I believe that I have the skills and ability to work with our community and our school personnel to maintain the quality education with positive activities our children have become accustomed to.

I am therefore asking for your vote to the Sherwood School Board.

Commissioner Position 4

RICHARD
P.
BURKE

OCCUPATION: Political Consultant, 2000 – present.
OCCUPATIONAL BACKGROUND: Computer Network Consultant, 1989-2001.
EDUCATIONAL BACKGROUND: B.S., Social Science, PSU, 1989.
PRIOR GOVERNMENTAL EXPERIENCE: Elected TVWD Commissioner, 1999, Current Board President. Chair, Bull Run Regional Drinking Water Agency, 2002-present. Legislative Aide, Oregon Senate, 2001. Elected Local School Committee, Beaverton School District, 1994, 1997.

**RE-ELECT RICHARD P. BURKE
“PROVEN PERFORMANCE”**

• **Securing Bull Run Water**

I recently chaired a group of local leaders exploring shared ownership of the Bull Run watershed. Shared ownership would permanently secure Bull Run water for TVWD ratepayers. I am also working with the City of Portland to build a water filtration plant. The plant will keep water clear during winter storms and protect reservoirs against natural disasters and sabotage. While always looking for new sources of safe water, including improved methods of conservation, we must secure and improve Bull Run water.

• **Giving YOU the Final Say on Willamette River Water**

In 1999, I was the only commissioner to oppose building a water treatment plant on the Willamette river. I repeatedly demanded public hearings and mailings to involve the public in that decision. I lost that vote, but was able to pass an ordinance requiring an election before any Willamette water is brought into our system. This means YOU will have the final say if the idea ever comes up again.

• **Reducing Your Taxes**

During my first term, I opposed new taxes and supported budgets taking TVWD off property tax bills by 2005. After that, TVWD will be funded entirely by the sale of water. We've worked hard to keep water affordable while improving water quality, replacing worn out pipes and making our system more secure. If re-elected, I plan to continue these policies.

It has been an honor and privilege to serve as a TVWD commissioner. If re-elected, I will keep working to secure clean, safe and affordable water for ourselves and the generations to follow. Thank you.

Commissioner Position 4

THOMAS
LONG

OCCUPATION: President Systems Marketing, Investor.
OCCUPATIONAL BACKGROUND: Marketing.
EDUCATIONAL BACKGROUND: Portland State University and PCC.
PRIOR GOVERNMENTAL EXPERIENCE: None.

Water-related public policy experience:

- * **Chairman of Citizens for Safe Water** for over 4 years, leading 4 successful elections establishing the citizen's right to vote on Willamette River water in municipal water supplies.
- * **Host of cable-TV show, “The Water Spot,”** dealing with governmental decisions affecting water supplies and public safety.
- * **Participated in decisions for Tualatin Valley Water District (TVWD)** for the last 2 years.

Decisions now could be critical in the establishment of future water resources affecting the health and safety of the region. I will protect citizens rights to safe water now and in the future!

Tualatin Valley Water District is the second largest supplier of water in Oregon!

Yet there are unresolved district issues that could effect that future:

- 1) TVWD's unused 49% ownership in the Willamette River Drinking Water Treatment Plant at Wilsonville. (\$17 million investment.) They are currently loosing \$500,000 per year on that investment.
- 2) Fish deformities found upstream from the Wilsonville plant leading to questions of water quality.
- 3) Setting safe water standards that could be an example for the entire region!

Protecting you I will work to:

- * **Assure the best possible source of water and treatment** for the District and District-owned water supplies in order to meet or exceed all current and anticipated EPA standards.
- * **Develop ways for the district to prevent private ownership** of the Bull Run and other publicly owned water districts or municipalities which could threaten public voice over water safety!
- * **Seek alternative uses for treated Willamette water**, such as industrial or non/food agricultural options.
- * **Move forward** on the audit of the testing behind the questionable configuration of the Wilsonville plant.
- * **Resolve district issues** that have prevented the board from moving forward with decisions that could affect public health.
- * **Make policies that insure safe drinking water** for future generations protecting our children and elderly from contaminates that could harm their health.

**Commissioner
Position 5**

**JIM
DOANE**

OCCUPATION: Recently retired Civil Engineer specializing in Water Resources.

OCCUPATIONAL BACKGROUND: None.

EDUCATIONAL BACKGROUND: BS Engineering, UCLA; MS Civil Engineering, California State University at Long Beach.

PRIOR GOVERNMENTAL EXPERIENCE: Washington County ESD (1987-1996); Oregon Seismic Safety Policy Advisory Committee; National Water Sector Critical Infrastructure Protection Advisory Committee.

Jim has been a Board Member of the TVWD since 1998.

Jim and his family (wife and two grown children) have enjoyed the benefits of living in the TVWD for over a quarter century. In late 2002, Jim retired from an engineering career in water resources. Among Jim's responsibilities was the supervision of award winning residential and commercial water conservation programs, emergency management and protecting water systems against disruption by natural and human caused events. Jim was Oregon's American Society of Civil Engineers "Government Engineer of the Year" for 2001.

Jim is a volunteer teacher for students learning English as their second language. He is also a volunteer youth counselor.

Jim knows that over the next four years TVWD will face critical decisions such as:

- **Water Quality**---Jim feels it is necessary for TVWD to review the existing water quality standards set by the EPA and the Oregon Health Division to see if they provide sufficient protection, especially for young children. If they do not, then TVWD must set more stringent standards that do.
- **Water Quantity**---Jim knows that intelligent water conservation is the key to establishing a secure cost-effective future supply for the district's citizen. In addition to conservation, it is likely that existing sources such as the Bull Run and the Joint Water Commission will need to be expanded.
- **Water System Security**---As a member of the national Water Sector Critical Infrastructure Protection Advisory Committee, Jim knows what should be protected and how to protect without over doing it.
- **Affordable Water**---Jim will continue to work for affordable water rates.

For all of these reasons, reelect Jim Doane to the TVWD Board.

OCCUPATION: Owner, SC Jackson Construction, Inc. since 1976.

OCCUPATIONAL BACKGROUND: SC Jackson Construction, Inc., 1976 - Present.

EDUCATIONAL BACKGROUND: Graduated Lincoln High School, 1966.

PRIOR GOVERNMENTAL EXPERIENCE: Tri-City Rural Fire District 18 years; Tri-City Rural Fire District Budget Committee 2 years.

I was a volunteer for the Tri-City Rural Fire District for 18 years, before it became the Banks Rural Fire District 13. I served in many positions during that time. I became an emergency medical technician and an officer in 1975. Conducted training drills and served as Fire Chief in 1985.

I am able to understand and relate to the volunteers and the sacrifices they make to be volunteers. At the same time having served as Fire Chief working with the Board of Directors, I clearly understand the role of the board. I would like to use my knowledge of the fire district to help maintain a viable working fire district.

With your vote I would be proud to serve on your fire district's Board of Directors.

CLOPTON**

OCCUPATION: Small Business Owner – Clopton Excavating.
OCCUPATIONAL BACKGROUND: Small Business Owner past 19 years.
EDUCATIONAL BACKGROUND: None.
PRIOR GOVERNMENTAL EXPERIENCE: Tualatin Valley Fire and Rescue Board of Directors 1998 to present. Secretary Treasurer July, 1999 – June, 2001 and July, 2002 to present.

As a local business owner who must remain competitive in these challenging economic times, Brian Clopton brings over twenty years of successful business strategy and decision making skills to the Board of Directors. Working with the public and managing employees has given him valuable perspective on the importance of organizational accountability and quality customer service.

As a life-long resident of the fire district, Brian Clopton understands the richness and diversity of his community. Having witnessed the dramatic changes of recent years, he understands the need to balance jobs, housing, transportation, and essential public services such as fire and life safety. In particular, he has come to appreciate the importance of long-term planning in ensuring a safe and livable community.

As an existing member of the Board of Directors, Brian Clopton has helped meet the challenges of increased accountability, property tax limitations, and enhanced workers' safety standards. He understands the importance of establishing a sound policy framework while remaining flexible and open minded in meeting new challenges. Moreover, he knows first-hand the importance of intergovernmental cooperation in delivering the best value with limited tax dollars.

Brian Clopton is endorsed by:
 Rob Drake, Mayor of Beaverton
 John Leeper, Washington County Commissioner
 Tualatin Valley Professional Fire Fighters Union, IAFF 1660

"BETTER FINANCIAL MANAGEMENT FOR
TOUGH BUDGET TIMES"**

EXPERIENCE IN "911" SUPPORT SYSTEMS

I was once responsible for building a commercial 911 emergency-services support system. That experience gave me an intimate understanding of the challenges facing the operation of emergency services when it counts – during an actual emergency. Improved emergency dispatch, field training and information systems are all key to making sure our fire and rescue services remain among the best in the nation.

EXPERIENCE WITH LARGE FINANCIAL SYSTEMS

As a director of TVF&R, I will bring my background as a systems professional and an executive business manager to bear when handling the district's finances. Especially during tough budget times like these, improved financial controls and prioritization will enhance the quality and cost-effectiveness of TVF&R's operation.

EXPERIENCED IN GOVERNMENT BUDGETING

My experience working in the U.S. Congress gives me the background in agency oversight and auditing necessary to ensure that every single taxpayer dollar dedicated to TVF&R is spent appropriately and effectively. Once one has worked with congressional budgets, one can work well with any budget.

In these challenging economic times, TVF&R needs a director who is a qualified business executive with the experience and dedication needed to take TVF&R to the next level of effectiveness. That's why I'm running. Thank you.

EDUCATIONAL BACKGROUND: Graduate Milwaukie Union High; 3 yrs Northwest School of Business in Accounting.

PRIOR GOVERNMENTAL EXPERIENCE: U.S. Coast Guard 1943-1946.

March 20, 2003

Hello friends, neighbors and those who love the work Tualatin Hills Park and Recreation District has put in to give us a great park system. I need your vote and continued support.

My wife Dorothy and I have lived in the Aloha area for 36 years and our two sons are graduates of Aloha High School. I feel very strongly about giving to the community and as my son's grew up I served the Y Indian Guides as Chief of the Tualatin Nation, Cubmaster of Pack 219 then Scoutmaster of Troop 219. I also served six years on the Commissioners staff for Sunset Trail Boy Scouts of America.

I retired in 1992 from Hampton Power Products where I worked in the Sales Department of machinery and large electric motors mainly used in the timber industry.

I have tried to maintain an active life since retirement and have been serving on the Advisory Committee at the Elsie Stuhr Center in Beaverton for six years. I am currently the Advisory Committee Chairperson.

I consider myself a strong advocate for our senior adults and will continue to do so. I also love and believe in our children and will do everything in my power to keep the kind of park and recreation system we all want to see. I'm sure I am equal to whatever the task requires.

Once again, I ask for your vote and support on May 20, 2003.

OCCUPATION: Business Development Manager, Intel Corporation.

OCCUPATIONAL BACKGROUND: Intel Corporation (1984-Present): Various managerial and staff positions in business development, finance, materials, and logistics; Republic Airlines (1977-1984): Various supervisory and staff positions within airport operations.; National Park Service (1973, 1975): Wildfire control and rescue services within national parks in Oregon and Colorado.

EDUCATIONAL BACKGROUND: CMA: 1992, Institute of Management Accounting; MBA (Management): 1984, UCLA; BA (History): 1975, UCSB

PRIOR GOVERNMENTAL EXPERIENCE: Board of Directors, THPRD (1999-Present); Chairman and member, Parks and Greenspace Advisory Committee, Metro (1995-1999); Chairman and member, Nature Park Advisory Committee, THPRD (1997-1999); Member, Land Acquisition Ad-hoc Committee, THPRD (1995-1996); Member, Budget Committee, City of Beaverton (1996-1998).

I ask for your vote to continue to serve you on THPRD's Board of Directors. THPRD, one of the finest local park and recreation providers within the United States, is experiencing unprecedented demand for its services during a period of very tight budgets. I will continue to work to ensure that THPRD both provides the highest service levels for the dollars expended and stays responsive to the needs of our growing, dynamic community.

My priorities are to:

- Ensure sound fiscal management, adequate funding, and efficient use of THPRD's limited resources.
- Increase THPRD's partnership efforts with other public agencies, especially in the areas of land acquisition, maintenance, and program delivery.
- Establish recreation facilities and community parks in areas within the District that are deficient in them.
- Increase land acquisitions for trail corridors and greenspaces in order to support livability in our increasingly urban environment.

Bruce M. Pollock

After I recovered from the lymphoma-caused tumor that "ate" my L-3 vertebra, I lead easy hikes for the Denver group of the Colorado Mountain Club until I moved to Portland in 1995. My first experience with trails here was during the development of the Trillium Hollow condominium when Washington County required, but failed to establish, a pedestrian-bicycle trail between Leahy and Cornell roads.

In 1999 I was appointed to the THPRD Cedar Mill Area Ad-Hoc Advisory Committee charged with locating sites for parks and trails in the NE Quadrant of the district. Our 2001 report "Cedar Mill Parks: A Community Vision" included a recommendation for a park between Cornell and Leahy Roads. Because of the generous contribution of land by Mrs. Tilbury, that park is developing and the sign "Roger Tilbury Memorial Park," can be seen at the junction of NW Ash and NW 94th Terrace.

The Ad-Hoc Committee now functions primarily at ceremonies inaugurating locations resulting from our report. I am now a member of the Trails Advisory Committee which is primarily concerned with locating, funding, and building regional trails. My hiking is becoming increasingly restricted to the soft trails between the resting benches in the Tualatin Hills Nature Park.

I am requesting to be elected to the THPRD Board so that I can continue to work on making this rapidly desifying urban area a more livable place by providing parks, trails, and recreational facilities to the rapidly expanding population.

Dear Park District Neighbor:

I welcome the opportunity to serve as your representative on the Park District Board. I've lived in the district for 15 years. My family has used many of the District's fine playing fields, trails, swimming pools, and neighborhood parks. For many years I have worked closely with park district staff, students, and neighborhood groups to help restore natural areas within Greenway, Raleighwood, and Bauman Parks. Now I'd like to serve the entire District.

My priorities are:

- Continue to provide first-class facilities for swimming and sports leagues
- Responsibly manage District finances and facilities
- Create new parks and open spaces, especially in poorly served areas
- Support better trail connections between neighborhoods, parks and schools
- Work with volunteer groups to restore wildlife habitat along stream corridors
- Increase working partnerships with schools
- Build on the success of the Stuhr Senior Center to provide greater recreational opportunities for people 55 and over

My name is Larry Pelatt and I would like the voters of the Tualatin Hills Park and Recreation District to allow me to serve them as a member of the Board of Directors. As the owner of a small business, I am qualified to participate in making prudent and fiscally sound decisions regarding our budget. The Board of Directors needs to spend our money wisely and make effective decisions to serve the needs of its constituents. I served on the LSC at Fir Grove Elementary which gave me experience in the workings of government. I am currently on the Tualatin Hills Athletic Center Advisory Committee, so I have experience within THPRD. I have been a volunteer coach for 8 years within THPRD, and I have two children who participate in many activities within the District. We need to continue to improve our programs and facilities while focusing on achieving the goals set out in the 20 year master plan adopted in 1997. I will work with the other members of the Board of Directors to maximize the effectiveness of every taxpayer dollar we receive. Tualatin Hills Park and Recreation District is one of the premier districts of its type in the country. We need to support it and do our best, within our budget, to see that the needs of all our user groups and tax paying customers are served. I feel that I am well qualified to serve as a member of this Board. I will do my best to make sure that Tualatin Hills Park and Recreation District lives up to its excellent reputation.

CITY OF BANKS

Measure No. 34-66

BALLOT TITLE

LEVY TO MAINTAIN CURRENT LAW ENFORCEMENT SERVICES

QUESTION: Shall City levy at \$1.80 per assessed thousand for five years beginning in fiscal year 2004-2005 to maintain police services?

This measure may cause property tax to raise more than 3%.

SUMMARY: This measure may be passed only at an election with at least 50% voter turnout. The City Council unanimously recommended this measure being placed on the May ballot. In 1998, the citizens/voters established funding via a levy of \$1.80 per assessed thousand each year for (5) years to provide police services. This measure continues that existing levy. If you received this ballot, those services are for you. Those police services include three full time positions that respond to 911 calls, work in crime prevention, work with youth and school programs, do traffic enforcement, investigate violent crimes, theft burglary, domestic violence, drug crimes, drunk driving, neighborhood nuisances and disturbances. This measure will not cause a tax rate increase.

The potential total amount of the (5) year levy is estimated at \$525,000. The estimated tax rate effect is \$180.00 per year for a home with an assessed property value of \$100,000. The estimated tax revenue the City will receive is an ESTIMATE ONLY based on the total value of the City and the best information available from the County Assessor at the time of the estimate.

EXPLANATORY STATEMENT

Why is this levy proposed?

It gives the City residents the option to maintain current local law enforcement services by renewing a voter approved five year levy that expires in 2008.

Who is served by the City's police department?

If you received this ballot, the City's police serve you. The number of people served has increased by approximately 60% since 1998.

How are police services funded?

This five year voter approved levy (\$1.80 per \$1,000 assessed value) funds 44% of the police services. Voters previously approved this same levy in 1998. Other police resource funding comes from the City's general fund.

Does the levy increase the number of staff?

No. The levy maintains existing staffing and services; it does not provide for any new positions.

What impact would the levy have on a homeowner's property tax?

The replacement levy is estimated to average \$1.80 per \$1,000 assessed value. It renews the prior levy of \$1.80 per \$1,000 assessed value. If approved, owners of a home would see the following estimated annual impact:

\$100,000 assessed home	\$1.80 x \$100,000=	\$180.00
\$150,000 assessed home	\$1.80 x \$150,000=	\$270.00

What happens if the levy is not renewed?

If the replacement levy is not approved, the City's police depart-

ment would be unable to continue after June 30, 2003. The City's police services could not continue if 44% of its funding was discontinued.

When would this renewed levy first appear on the property tax bill?

The property tax bill due in November 2004 would include this levy. This levy would not increase the tax rate from the current rate.

CITY OF NORTH PLAINS

Measure No. 34-62

BALLOT TITLE

NEW CITY CHARTER FOR NORTH PLAINS

QUESTION: Shall the City of North Plains have a new City Charter?

SUMMARY: If this measure is approved, the City Charter will be amended as follows:

- New provisions defining Council vacancy.
- New section prohibiting Council from influencing or coercing City Manager with regard to employees or hiring of City Manager.
- Remove City Recorder position as charter officer and add the City Manager position including duties of the office.
- Change Mayor's term from two years to four years effective January, 2005.
- New Section authorizing Council rules governing employees based on merit and fitness.
- New Section permitting Council to affirm and/or limit political rights of employees by ordinance.
- Remove section qualifications for nomination to the city council, add new section authorizing the same by council rule.
- Remove section limiting contracts for public improvements, add language requiring compliance with state law.
- Remove section limiting voluntary bonded indebtedness, add language requiring compliance with state law.
- Remove section on tort liability as inconsistent with state law.

EXPLANATORY STATEMENT

The last comprehensive revision of the City of North Plains Charter was in 1990. The city council appointed a charter review committee to review the 1990 Charter and determine whether changes needed to be made to update the charter to current conditions, and to determine whether any other changes were necessary or appropriate. The following changes were recommended by the charter review committee and have been incorporated into the charter amendments that are before the voters with this measure. The recommendations of the charter review committee regarding elimination of voter approval of annexations and establishment of compensation for councilors are not included in this measure.

1. The measure clarifies the circumstances under which a city council position becomes vacant.
2. The measure clarifies the city council's role in employee personnel issues, discusses interference in administration, and provides for penalties for violation of this section of the charter.
3. The measure removes the city recorder and adds the city manager as charter officers and delineates the duties of the city manager.
4. The measure adds the responsibility of the city council providing rules governing recruitment, selection, promotion, transfer, demotion, suspension, layoff and dismissal of city employees, and states that these actions shall be based on merit and fitness.
5. The measure authorizes the city council to, by ordinance, affirm the rights of City personnel to participate in political activities and may limit those activities to the extent necessary for orderly and effective operation of the city government.

6. The charter currently lists the requirements for nomination to run for an elective office. The measure removes those requirements and authorizes the city council to establish those requirements by city ordinance.
7. The charter currently requires that contracts in excess of \$1,000 for a public improvement to be made by a private contract be let to the lowest responsible bidder for the contract and the work be done in accordance with plans approved by the city council. The measure amends the charter to require that a contract for a public improvement to be made by a private contractor be awarded in compliance with the State of Oregon public contracting laws.
8. The current charter states that except by consent of the voters, the city's voluntary floating indebtedness shall not exceed \$3,500, nor its bonded indebtedness \$5,000, at any time. The measure would require that the city's indebtedness may not exceed debt limits imposed by state law. It also states that a charter amendment is not required to authorize city indebtedness.
9. The measure changes the term of mayor from two years to four years beginning with the term of office of the mayor in January 2005.

Measure No. 5-112

Measure No. 34-63

BALLOT TITLE

FIVE YEAR LOCAL OPTION TAX FOR DISTRICT OPERATIONS

QUESTION: Shall the District levy \$0.54 per \$1000 of assessed value each year for five years beginning 2003-2004 for operations? This measure may cause property taxes to increase more than three percent.

SUMMARY: This measure may be passed only at an election with at least fifty percent voter turnout.

This measure authorizes the Scappoose School District 1J to levy property tax in the amount of \$0.54 per \$1000 of assessed value each year for five years. The taxes would be used to help finance district operations and partially alleviate cuts to staffing and programs. The funds raised by this measure are estimated at \$500,000 per year. This estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of the estimate.

PROPOSAL TO ANNEX TO CITY PARCEL CONSISTING OF 11.78 ACRES

QUESTION: Shall Lot 1700 and part of 1600, Assessor's Map No. 2S129B, be included within City of Sherwood Corporate Boundary?

SUMMARY: Approval of this ballot measure would allow annexation of an approximately 11.78 acre parcel of land (known as Tax Lot 1700 and part of Tax Lot 1600, Assessor's Map 2S129B) to within the corporate boundaries of the City of Sherwood. The petitioner for this annexation is the property owner, Portland General Electric Co. The City Council has approved the petition to annex, but pursuant to City Charter, the annexation must be submitted to the voters of the City. A legal description for the parcel and maps of the parcel are on file at the Sherwood City Hall, as well as the application, staff report, and council findings for public inspection.

CITY OF SHERWOOD

Measure No. 34-64

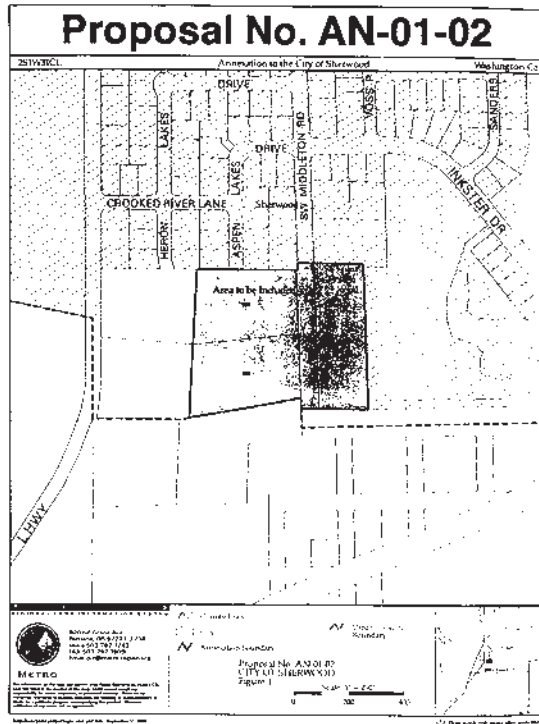

BALLOT TITLE

PROPOSAL TO ANNEX TO CITY THREE PARCELS TOTALLING 6.51 ACRES

QUESTION: Shall Lots 400, 600 and 900, Assessor's Map No. 2S131CC, be included within City of Sherwood Corporate Boundary?

SUMMARY: Approval of this ballot measure would allow annexation of an approximately 2.18 acre parcel of land (known as Tax Lot 400, Assessor's Map 2S131CC) an approximately 2.12 acre parcel of land (known as Tax Lot 600, Assessor's Map 2S131CC) and on approximately 2.21 acre parcel of land (known as tax lot 900 assessor's map 2S131CC), to within the corporate boundaries of the City of Sherwood. The petitioners for this annexation are the property owners, Paul Miller and June Miller, Janet Dee Whitmore, and Jack Peterson and Sue Peterson. The City Council has approved the petition to annex, but pursuant to City Charter, the annexation must be submitted to the voters of the City. A legal description for the parcels and maps of the parcels are on file at the Sherwood City Hall, as well as the application, staff report, and council findings for public inspection.

Measure No. 34-65

BALLOT TITLE

CITY OF SHERWOOD DEVELOPMENT OF CITY OWNED PUBLIC GOLF COURSE

QUESTION: Should the City of Sherwood pursue the concept of a City owned golf course facility in the Sherwood area?

SUMMARY: The City Council formed a Golf Course Committee in December 2002. This committee is reviewing the feasibility of a City Owned Golf Course in the Sherwood area. The City Council has referred this question to the voters for a non-binding advisory vote to help the council to better ascertain what current public support may be for the council continuing to investigate the feasibility of financing and developing this project.

EXPLANATORY STATEMENT

RESULT OF A "YES VOTE": A "Yes" vote will support the Council in continuing a project that could result in the development and financing of a municipal golf course in the Sherwood area for the purpose of generating revenues to augment or reduce the local tax burden.

RESULT OF A "NO VOTE": A "No" vote may discontinue the project for the City to develop a municipal golf course in the Sherwood area.

SUMMARY: This non-binding vote will indicate to Council whether the citizens are in favor of the City proceeding with a plan to develop and finance a municipal golf course in the Sherwood Area.

ESTIMATE OF FINANCIAL IMPACT: No impact on State or local government expenditures or revenues as a result of this vote.

This measure will be a non-binding advisory vote that will help Council with the question of whether to proceed with a plan to develop and finance a city-owned municipal golf course in the Sherwood area.

A preliminary feasibility study developed by staff indicates that depending on financing options, returns from this project could support from 60 to 100% of City costs to maintain city-owned sports fields and open spaces.

The report also indicates that the financing options, could include no, some, or complete citizen support from taxes. As the amount of citizen support from taxes increases, so does the probability of the success of the course.

If this project continues, the preliminary sighting of the course and funding strategy will be developed. Council will review the alternatives in a public forum and a vote of the citizens will be required to approve any additional taxes to support this project.
