### WE CAN DO MORE!

For each child, an immeasurable achievement gap ensues when opportunities are missed. With the economic downturn, those gaps can become chasms and will be our shortfall if we don't compassionately share and stretch our resources. As a Beaverton School Board member, I would support:

- Community School hubs for after-school programs, mentoring/tutoring, civic/cultural events and safety net resources.
- Opportunities for flexible, innovative classroom environments that challenge all students to progress through choice of high quality, state approved textbook materials that support our learning targets.
- Expansion of Aloha High School's preschool to increase access to affordable, quality preschool and to teach teens childcare and development in all comprehensive high schools.
- Development of environmental and sustainability curriculum, inclusive of vocational and technical instruction.
- Increased revenue collection through higher corporate minimum and marginal income taxes of the wealthiest Oregonians.

Our community investment in children is the key to a bright and better future for all.

Greetings to residents of the Beaverton School District. You and I have probably met in recent years at a youth sports contest, at one of the district’s fine schools, or at Freddy’s or a local coffee shop.

During the 11 years I have lived in the BSD boundaries, I have consistently observed the importance that all of us place on education. We value education, we instill that emphasis in our children, and we pay great attention to our schools.

If elected to the board, my goal is to work collaboratively with the other board members, the administration, teachers, and all stakeholders to achieve the following:

- No reduction of days in the school year.
- No increase in class sizes.
- No teacher layoffs.

I am running for this unpaid seat on the board for a variety of reasons. To begin, I feel a sense of gratitude. My own four children have benefited enormously from the guidance and instruction of many fine Beaverton educators.

Continuing, I have some unique qualifications for the role. Significant is my livelihood as a teacher, having taught or volunteered at five BSD schools. Currently there are no teachers on the board... of education.

Before becoming a public school teacher, I spent 20 years in the technology arena, where my business education and business experience prepared me well for the tough budgetary and management decisions that now face the board.

Most importantly, I am a big fan of this district and its great people. You have enriched my life over these last 11 years. I look forward to working with, and for, you and your children.

I ask for your vote. Thank you for your consideration.

**PRIOR GOVERNMENTAL EXPERIENCE:** Beaverton School Board Director 2007-current; Beaverton School Budget Committee 2007-current; Beaverton School District Project team member: Health, Language Arts, Options Review; Mountain View Local School Committee Member; Hiteon PTO Committee Chair

### EXPERIENCE – ACTION – INVOLVED

- I have invested extensive hours working with district administration, teachers, PTO's and parents to help reflect the concerns and opinions of the community.
- I continue to be an involved parent by volunteering in my children's classrooms filling whatever need I see including classroom parent, fundraising, art literacy, read naturally and class parties.
- As an active School Board member and Budget Team member I am aware of the many challenges that are facing Beaverton. Hard times like now enable us to re-center our focus on our top priority-the students-and concentrate on finding effective as well as financially responsible approaches. I will continue to be a fair and effective advocate for parents, students, teachers, staff and taxpayers.
- Active member of Stand for Children.

I am working to increase educational opportunities and provide teacher training in differentiation. Every child deserves to be challenged and given an opportunity for success.

I believe over the last two years I have shown the energy and willingness to do this job well. I will continue to ask the tough questions and challenge ourselves to become even better than we are.

**Re-Elect** a representative who is actively involved in our schools and is committed to the success of ALL children.

- 2003 Treasurer, 2002 Senator, Student Bar Association

#### **Perspective**

My perspective is informed by attendance in schools in three countries, by working throughout high school and college, and as a father to children entering the Beaverton school system. Teachers, parents, and school administration play a monumental role in the quality of our children's education. Parents and children have a difficult time prioritizing and committing to an increasingly costly and complex educational system. I want to build partnerships and policies that make our educational system more approachable and effective.

#### **Key Skills in a Time of Crisis**

This is a critical time. As we struggle with a budget crisis we must act for the present by making hard choices that will ensure our children's quality education while maintaining our current commitments. We must act for the future by implementing the 5-year strategic plan and seeking stable funding. My executive and legal experience is an asset in working with district stakeholders, state leadership, and vested educational groups. My experience as a father keeps the goal of well-educated children with opportunities and satisfied parents in focus.

We can work though the budget crisis, implement the 5-year strategic plan and lobby for secured educational funding to better our schools. Help me fulfill that promise.

**EDUCATIONAL BACKGROUND:**

Master of Social Work degree with Integrative Emphasis in Family and Children , Graduate School of Social Work, University of Utah, 1994; BS Sociology, University of Utah, 1991

**PRIOR GOVERNMENTAL EXPERIENCE:** None

As a school social worker, I worked to implement solutions that foster success on individual, family, and school-wide levels. I have worked with families in extreme need, teaching tools to succeed and thrive and have spent years studying principles that lead to excellence and success in life and learning.

Priorities I seek to represent in our district are:

- Expect increasing and measurable standards of excellence in all of our students, particularly as they prepare to enter college or the global marketplace.
- Expand opportunities for each child to reach his or her potential, accommodating and nurturing a variety of learning levels, talents and interests.
- Listen to and represent the diversity of voices that exist in Sherwood while working on our common goals.
- Utilize financial resources allocated in more creative, efficient and effective ways.
- Find meaningful and accurate ways of teaching and evaluating the "essential skills" and corresponding requirements passed by the Oregon State Board of Education, effective graduating class 2012.

I have a child entering high school, one soon entering middle school, and one preparing for kindergarten. This inside perspective on our schools is important in decision making. A new person on the board would bring fresh ideas and approaches to solutions that look beyond the complacency of our current situation. We can work together in unity while respecting the diversity that exists among us. I am committed to bringing my experience and professional training to this position in an attempt to represent the many voices of Sherwood and to seek the excellence we can achieve.

It has been a privilege to serve the Sherwood Schools community for the past 4 years. I would be honored to serve another term and ask you to support my candidacy with a Yes vote in the May 19th election.

The Sherwood School District strives to provide ALL students in our District with the skills they will need to be successful in whatever path they choose to pursue beyond their K-12 education. Both the curriculum and programs reflect the diverse expectations and needs of our growing community and the expectation for educational excellence that we all share. There is a willingness and an enthusiasm for critical examination of what is working and what is not. There is a culture of innovation and a commitment to finding solutions. The Board and District have been careful and prudent stewards of the taxpayer's money. In these difficult economic times we will continue to provide fiscal responsibility and accountability. But regardless of our fiscal challenges, the board is committed to student achievement and it will remain our No.1 priority.

Thank you for allowing me to serve these past 4 years. With your support I look forward to the next 4.

**EDUCATIONAL BACKGROUND:** Lewis and Clark College: MA; special education (endorsement for deaf and hard-of-hearing), Portland State University: BA;

psychology (emphasis child development/American Sign Language)

**PRIOR GOVERNMENTAL EXPERIENCE:** None

**Other Experience:**

Shelley has:

\*worked as an assistant to a School District Social Worker. While there, she was able to learn about the diverse needs of families and assist many with basic needs such as food, clothing and shelter.

\*worked as a substitute teacher in an Early Intervention classroom. From this position, she was able to experience running a classroom, work with other teachers in planning and executing activities and learn what support is necessary for teachers to be effective in their jobs.

\*been blessed with six children and has stayed home with them for the last 13 years. While raising children is time consuming, Shelley has remained active in the community. She has spent many hours volunteering in classrooms/being room mom, involved with fundraising efforts for the PAC/High School Band, and Cub Scout Leader.

\*a strong commitment to serving the community as evidenced in her work at the YMCA. She works in the childwatch center because of her love for children and her desire to help them transition into a caring environment while giving families the chance to stay healthy.

\*participated in community events such as Healthy Kid's Day, campaigning for funds to support the Teen Center, the YSNAP's program and the Cardiac Therapy group.

Shelley loves Sherwood because of the sense of community and enjoys taking advantage of the resources available to families such as parks/walking trails, library events, and YMCA activities. All these activities are a way to meet families and help people feel welcome in our community. She would love the opportunity to continue serving the community as a member of the School Board.

**EDUCATIONAL BACKGROUND:** Dayton High School, Diploma 1979; Oregon State University, BS Industrial Engineering 1984

**PRIOR GOVERNMENTAL EXPERIENCE:** Director - Sherwood School Board 2007-2009. Sherwood School District Budget Committee member, 2000-2003. Sherwood School District Long Range Facility Planning Committee. Care for Kids, School Bond Committee member. Sherwood Middle School Site Council member.

As a Sherwood resident for over 19 years, I have been actively involved with our schools in many capacities, currently as a Director on the Sherwood School Board. My two children attend Sherwood Schools.

Through a lot of hard work, we have become one of the regions' top performing schools in reading and writing, and have one of the lowest low drop-out rates in Oregon. We should be proud of these accomplishments!

Still much work needs to be done as we continue to strive for excellence in all areas. In particular, I want to continue to help strengthen our mathematics program. This is critical. Additionally, we need to grow our music and arts programs as well as the use of technology in our classrooms. Key components of our success are the hiring and retention of the best teaching staff available.

These challenging times require us to be good stewards of our resources, while continually improving our district's performance. I feel my experience in managing large organizations is a key resource for our school board.

I ask for your vote to continue serving you in this great district. Thank you for your support.

I am running for Tigard-Tualatin School Board because I want to ensure all voices in the community are heard during these difficult times. Tough fiscal choices, now more than ever, require the school board to reach out and listen to the community.

#### MY PRIORITIES:

##### Fiscal Responsibility

- Focus spending in the classroom
- Certify tax dollars used wisely
- Find efficiencies and creative solutions to help weather the economic crisis

"Dana has always asked the right questions during PTA meetings. She speaks up in ways that are productive and thought provoking. Dana championed the way for stronger fiscal control of our PTA funds."

- Matt and Heidi Talbert, Tualatin

##### Accountability & Transparency

- Ensure the community is fully engaged in discussions before decisions are made
- Improve communications between community members, parents, and the schools
- Continue to build a coalition of community members to provide oversight

"Dana always makes a point to reach out to the community for input into decisions."

- Michael Shaw, Tigard

##### Academic Integrity

- Strive for the best learning environment for our students
- Support curriculum that challenges our students at all levels
- Ascertain all students reach their potential

"Dana looks out for the best educational interest of all students in our district."

- Patrick and Robyn Kirwan, Tualatin

## check your ballot!

Make sure you have completely filled in the oval next to your choices.

If you vote for more candidates than allowed, or if you vote **both** Yes **and** No on a measure, it is called an overvote.

Your vote **will not count** for that candidate or measure.

You do not have to vote on all contests. Those you do vote on will still count.

Contact Washington County Elections to request a replacement ballot if:

- you make a mistake
- your ballot is damaged or spoiled
- your ballot is lost

or for any other reason.
