Councilor

Alan H Pearson

Occupation: Retired.

Occupational Background: Owner/Operator of Personnel Consultants, Inc., an executive recruiting service. Former Associate Professor of Political Science. Professional mediator in Family and General conflict management.

Educational Background: Knox College, Political Science, BA; University of Illinois, Political Science, MA, PhD

Prior Governmental Experience: Currently a member of the Sherwood Planning Commission. Served on a regional planning commission in the Lexington Kentucky area. Served on the Frankfort/Franklin County (KY) Planning and Zoning Commission.

I know and understand how government and bureaucracy work. Sherwood is a rapidly growing city. Growth needs to be guided if we are to maintain those elements of life which make Sherwood unique. I am not against growth and development, but I am against bad growth and shoddy development. I am for progress which adds to the vibrancy and quality of life in our city. Sherwood has to be a city where the government is transparent and responsive to the needs and wishes of all its citizens. Sherwood must have a city council which manages its resources in a prudent manner, avoiding undue and excessive burdens on the taxpayers. Being retired, I have the time and resources to be a full time city councilor. The only property I own in Sherwood is my house. The only business relationship I have with the city is the payment of my fees and taxes. I am funding my own campaign, and am seeking no contributions to my campaign. I plan on having monthly town hall style meetings at the senior center so I can meet with all the citizens of Sherwood on a regular basis. I am asking you to vote for me in the May election. Protecting your tax dollars will be my most important responsibility.

What's Great About Sherwood: Over the past couple of decades elected officials have strategically positioned Sherwood for smart growth while enhancing a highly sought after family community.

The Result: One of Oregon's most desirable communities with a nationally accredited police department, extensive network of parks and recreation, library high in resources, great schools, strong partnerships, quaint Old Town, vast array of local shopping and the framework for professional light industrial employment enhancing our tax base: this leadership history keeps streets safe, kids employed, value of homes strong and our future as secure as our history.

What You Will Get From Renee Brouse: As a City Councilor, I will strive to maintain quality of life philosophies and practices founded by generations of volunteer elected servants. My work will be committed to guaranteeing our local police continue to serve and protect friends and neighbors, finding ways to bring employment opportunities to balance a tax system that will maintain Sherwood's livability .

Dear Voter,

I am currently your Portland Community College Board Member and I would appreciate your vote to continue my service helping PCC prepare people for the future.

I am a **lifetime Washington County resident and a graduate of Portland Community College.** I have been successful in my career as a chamber of commerce executive because of the opportunities I received at PCC.

As President of the Hillsboro Chamber, my focus is on assisting, growing and recruiting businesses to provide jobs. The excellent education and training PCC provides is vital to achieving our economic development goals. **A well-trained, skilled workforce is the key to Oregon's economic future.**

As your Board Member, **I will continue to advocate** for PCC to be responsive and adaptable to our rapidly changing workforce needs **so our graduates are successful and can find employment here.**

These are tough budget times, but we won't let that stop us. Students are more price-sensitive than ever before. I am committed to ensuring that we remain accessible to any student who wants to further their education and learn a trade that will increase their earning power. **I am helping raise more money from our community and local businesses to help hundreds more students achieve their educational goals through scholarships and innovative programs like Future Connect.**

At PCC, we are doing more with less. I want to continue to help.

I appreciate your vote,

- **Cares about people**

Andrew Beach and his wife Cyndi have 2 daughters in our Beaverton Schools, and 1 daughter who graduated from Aloha High. With more than 14 years of firsthand experience, Andrew knows how the challenges in our schools impact our Beaverton families.

As an advocate of parental involvement, Andrew has experience with IEP's, federally mandated standards, and the Smarter Balanced assessments that are affecting the most important relationship in education - the relationship between families and teachers.

Andrew's priorities as your Beaverton School Board, Zone 7 director:

- **Local Decisions:** State controls critical choices on curriculum, assessments and programs. Andrew will consistently advocate to restore our local voice
- Foster more **community partnerships** with local schools and PTO's
- Promote Equity: Seek increased funding to achieve **smaller class sizes** which can help all students
- **Protect Privacy:** Student data should be protected, and parental consent should be required before student data is shared with non-district employees
- Be Prepared: Establish a "**rainy day fund**" within the budget for funding irregularities and facility improvements
- **Promote Innovation:** Expand enrollment capacity for current option schools and charters
- **Maximize parental voice** in new high school redistricting by starting early
- **Protect integrity** of bond funds in capital projects

Dear Neighbor,

As a former educator, I know the classroom. I bring expertise and leadership to advance Beaverton's schools to the next level. I have experience working with students' challenges and teachers' concerns. I understand the need to support teachers and staff to ensure they have the resources and tools necessary to educate students successfully. I will listen and commit to advocating, representing, and serving the students, teachers, and parents. The board needs a former teacher's perspective.

EDUCATOR - FRIEND - NEIGHBOR

Educators have the power to transform public education. We can find solutions to classroom overcrowding and avoid reductions to vocational, physical education, arts, and language programs. I will work diligently for long-term solutions and will maximize the use of current resources to ensure that every student has access to the education they need.

EXCELLENCE - EQUITY - STRONG LEADERSHIP

I have proven leadership, an effective personal approach to resolving issues, and the ability to negotiate, advocate, and deliver on actions to enhance and protect our educational assets. I speak Spanish, English, Thai, Mandarin Chinese, Japanese, and Korean.

EDUCATION COUNTS!

To be successful in life we need to prepare our students to become lifelong learners. The first and most important step on this journey begins with our public schools. We need to make sure we get it right the first time by focusing on teaching the fundamentals and not the latest fads. There are no second chances. I will make sure we focus on giving our students the rock solid educational foundation they need to succeed!

EXPERIENCE COUNTS!

Now, more than ever, our students need to be prepared for college regardless of career path. I work full-time collaborating with the top universities in the US and around the world on curriculum development to create the classes that teach the students of today the skills they need for the jobs of tomorrow. I know what colleges are looking for and I will bring this valuable knowledge and experience with me to the Beaverton School Board!

EMPATHY COUNTS!

As a long-time resident and parent of several Beaverton School District students I see the impacts of the school board decisions first hand. As a current foster parent and a former foster child, I know how hard it is to go to school when you have no family support. As a second-generation American, who was the first person in his family to get a 4-year degree, I know what education can mean to realizing the American dream. I will bring these personal experiences and empathy for those who struggle to succeed to the Beaverton School Board!

Occupation: Writing instructor (volunteer) at Tualatin High School.

Occupational Background: Board development specialist for Oregon School Boards Association; self-employed editor.

Educational Background: Grinnell College, English, BA; University of Minnesota, English, MA

Prior Governmental Experience: Director on the Tigard-Tualatin School Board for the past 8 years.

An Experienced Advocate for Kids

I am running for a third term on the Tigard-Tualatin School Board because I want to continue doing the important work to improve education for the students in our district. We have a lot to be proud of, but I want to continue pushing for excellence at all levels and in all areas.

I have been an active volunteer in the Tigard-Tualatin Schools since my own child was in kindergarten, 15 years ago. I've worked in classrooms, served in parent-school organizations and site councils, been a member of the budget committee, and served on the school board for 8 years. Even though my own child has long since graduated from our school district, I continue to volunteer in classrooms every week because I believe passionately in the need for all students to graduate with their high school diplomas.

As a board member, I have always tried to focus the district's efforts and money where they do the most good for our students. During the past hard economic times, Oregon disinvested in education. Finally, the great recession is over and the time for reinvestment in education is at hand. I want to push the legislature to increase funding so that Oregon is no longer at the bottom of the national rankings for funding for education.

I am actively involved in our schools, I understand the issues we face, and I am committed to the success of our students. Please give me your vote so I can continue this important work. Thank you.

WE DESERVE ACCOUNTABILITY

Bobbie requires stronger financial accountability from administrators through **audits and responsible budgeting.**

“**Bobbie has the oversight experience we need. She’s a watchdog and strong financial manager of our tax dollars.**” Ken Thrasher, business leader

Dear Voter,

Growing up in challenging circumstances, one great teacher saw my worth and made all the difference. That’s why I’ll fight for more kids to get a better shot, with:

- Lower class sizes;
- Strong principals, teachers, rigorous curriculum in every school;
- Stronger vocational education;
- Restoring Outdoor School;
- Updated schools in ALL neighborhoods;
- Tough performance audits so dollars get to the classroom.

I’d appreciate your support, Bobbie.

Sherwood School District #88JT

Director, Position 1

Jessica Adamson

Occupation: Director of Government Relations – Oregon, Providence Health & Services

Occupational Background: Senior Associate, CFM Strategic Communications; Chief of Staff, Co-Speaker of the Oregon House Arnie Roblan; Business Liaison, US Senator Jeff Merkley; Public Affairs Director, Associated General Contractors Oregon-Columbia Chapter

Educational Background: Pacific University, Political Science, BA

Prior Governmental Experience: Sherwood School Board (2013-present) Director, Vice Chair; Sherwood School District Budget Committee; BOLI Task Force on Public-Private Partnerships, Co-Chair; Oregon State Scholarship Commission, Member, Vice Chair

Sherwood is a great place to live and raise a family. At the heart of our community are our schools. In addition to delivering top academic achievement outcomes, our kids have access to a wide range of arts, sports, technology, shop, community service and other extracurricular opportunities.

As a parent of three children, I see first-hand what makes our kids' successes possible - amazing teachers, caring administrators and support staff, outstanding parent volunteers - and I understand what we must do to become even better. We need to evaluate and adopt innovative approaches to delivering information in a time of new and rigorous standards. More than ever, our kids need to leave high school ready for college or prepared to enter the workforce with the skills to succeed.

In the coming years, we'll face challenges as we seek to maintain and improve education for our kids. If elected, my priorities would include:

- Focus resources in the classroom
- Reduce class size and lengthen the school year
- Ensure all students meet learning goals - close the achievement gap
- Invest in classroom technology
- Engage students, parents and community members in conversations about district goals and challenges
- Adopt fiscally responsible budgets to maintain quality during times of unstable funding

Over the last three years, it has been my privilege to serve as a Director on the Sherwood School Board. I ask for your vote on May 19th to continue to serve our community and kids.

Director, Position 5

Sue B Hekker

Occupation: Mortgage Loan Officer, Mortgage Express, 2014 - Present

Occupational Background: Sales Manager, Kemin Companion Animal Health, 2014; Veterinary Account Manager, Procter & Gamble, 2010-2014; Sales Representative, Schering Plough Corporation, 1999-2010

Educational Background: Linfield College, Business, BA, 1989; University of Portland, Business, MBA, 1997

Prior Governmental Experience: Sherwood School District Board of Directors Position #5 2007-Present.

My family and I have called Sherwood home for nineteen years. I've been honored to serve on the Sherwood School Board for the past eight years. During this time, I've helped shepherd the district through much change. We built and opened new schools, expanded the high school, and implemented programs in reading, writing and math to increase the rigor for our students. We have worked hard as a team to sustain programs and expand course offerings in an effort to prepare every Sherwood student for the opportunities that await them after high school. If reelected I would maintain momentum on these programs and work to reduce class size. Funding will continue to be an issue; I intend to use every dollar entrusted to the district as efficiently as possible. I will continue to work collaboratively with all of our community partners to do what is best for kids. Please help me continue this important work by voting for Sue Hekker for school board.

Sherwood School District Experience:
Board of Directors 2007 – Present
Youth Substance Abuse Task Force 2013 - Present
Sherwood Education Foundation 2007 – 2013
Bond Campaign Chairperson 2006
Budget Committee Member 2005 – 2007
Long Range Planning Committee 2004

Tualatin Valley Fire & Rescue District

Director, Position 4

Randy Lauer

Occupation: General Manager, American Medical Response

Occupational Background: Buck Medical Services/American Medical Response 1981-present; Paramedic, Supervisor, Training Officer, Manager. U.S. Coast Guard 1975-2007, Retired Master Chief.

Educational Background: Howard High School (South Dakota), Diploma; Oregon Health Sciences University, Advanced Paramedic Training; Portland State University, General Coursework.

Prior Governmental Experience: Tualatin Valley Fire & Rescue Board of Directors Position #4, 2011-Present; Tualatin Valley Fire & Rescue Budget Committee, 2010-2011. United States Coast Guard, Retired Master Chief, 32 years of service.

I've had the honor to serve you on Tualatin Valley Fire & Rescue's Board of Directors for the last four years, the most recent two as Vice President. I am asking for your support so I can serve our community for four more years.

As a 34-year District resident, my goal is to ensure that our residents receive fast and effective fire and emergency medical response, with a focus on constantly improving service. I have nearly four decades experience in emergency medical services (EMS), beginning on a volunteer ambulance service, continuing with the U.S. Coast Guard, and then as a Paramedic, trainer, supervisor and manager with American Medical Response.

By being forward thinking and collaborative, TVF&R has become a leader in the dynamic field of EMS. This is vital since more than 80 percent of TVF&R's incidents include medical care. EMS is also a component of healthcare, and successfully navigating the changing course of healthcare requires a focus not only on improving care, but also reducing the cost of care. TVF&R is well poised to excel in the new landscape of healthcare and emergency services because of the hard work by your Board of Directors, the Fire Chief and his Staff, and firefighters on the front line. If reelected, I pledge to continue applying my EMS and business management experience to help TVF&R continually enhance services and make the most effective use of tax dollars.

Director, Position 5

Brian Clopton

Occupation: Private business owner

Occupational Background: Owner/operator of a construction company for more than 30 years

Educational Background: No formal education

Prior Governmental Experience: Board of Directors for Tualatin Valley Fire & Rescue (1998-2015)

Committed to our community. For nearly two decades, I've championed smart financial management, excellent customer service, and the right resources to provide citizens with fast and effective emergency response.

As a life-long resident of the fire district, I've seen significant growth and have helped establish policy to plan for today and the future. I've supported our culture of cooperation with partners so that decisions about infrastructure and operations aren't made in a vacuum.

As a private business owner, I feel conservative financial management is a key priority. I've had to make tough decisions to keep my business afloat during recessions, and I understand that many of our citizens are on fixed incomes. I apply that experience and knowledge to TVF&R. Working with the fire chief and staff, our Board has provided guidance to ensure all of our fire station and facility construction over the last decade has been done on time and within budget.

I understand our firefighters. During my tenure, I've taken the time to get to know our firefighters and understand their work. I've earned their respect through a shared commitment to service, stewardship and safety.

Washington County Fire District 2

Director, Position 3

Robert (Butch) Kindel

Occupation: Retired

Occupational Background: Cleaner/Manager for agriculture seed cleaning and processing facility.

Educational Background: Hillsboro High School, General, Graduate

Prior Governmental Experience: Appointed to North Plains

Planning Commission, 1976-1980; Elected, North Plains City Council 1980-Present (Mayor eight of the 35 years); Appointed to Community Development Block Grant Program, 1986-Present; Charter Member, North Plains Chamber of Commerce, 1986-Present; Washington County Fire District #2, Board of Directors, 1998-Present.

I have lived my entire life in Washington County, and have resided in the city of North Plains for 42 years.

I volunteered as a firefighter for Washington County Fire District 2 at the North Plains fire station from 1968 to 1998, and as a long-time volunteer, helping strangers, friends, and neighbors was a rewarding experience. One I would do all over again.

I currently serve on the Washington County Fire District #2 Board of Directors, and I am asking for your support to continue the mission – To provide the highest quality of emergency services possible to our citizens.

Occupation: Intel Corporation: Finance, materials, logistics, and business development positions over the last 30 years.

Occupational Background: Airport positions with Scandinavian Airlines, Hughes Airwest, and Republic Airlines; Fire and rescue positions with the National Park Service at Crater Lake National Park and Mesa Verde National Park.

Educational Background: Institute of Management Accounting, Management Accounting, CMA; UCLA, Management, MBA; UCSB, History, BA

Prior Governmental Experience: THPRD: Board of Directors and Land Acquisition Committee; THPRD Foundation: Board of Trustees; City of Beaverton: Budget Committee; Metro: Parks and Greenspaces Advisory Committee, Natural Areas Bond Measure, and Maintenance Levy committees.

I ask for your vote to continue to serve our community on the Tualatin Hills Park & Recreation District Board of Directors ("THPRD"). As the leading park and recreation provider in Oregon, THPRD continues to experience high demand for its services in the face of tight budgets. I will continue to ensure that THPRD provides the highest service level and best facilities for the dollars expended while remaining responsive to the needs of our growing and increasingly diverse community.

My priorities are to:

- Ensure sound fiscal management and efficient use of THPRD's limited resources.
- Increase our partnerships, as exemplified by the announced agreement with the Beaverton School District whereby THPRD will build a multipurpose athletic field and community park complex at Mountain View Middle School in Aloha.
- Work with Metro, the City of Beaverton, and others to complete trail connections and to preserve at-risk natural areas, especially in expanding sections of the District like South Cooper Mountain.
- Ensure that THPRD meets or exceeds the commitments it made as it completes the final projects associated with the \$100,000,000 bond approved by the voters in 2008. As of the end of fiscal year 2014 two-thirds of the funds have been invested into 68 completed bond-authorized park, natural area, trail, sports field, and facility-related projects, with another 50 in-progress, as well as the acquisition (so far) of 141 acres of land.

James Alexander

Occupation: Attorney 30 years

Occupational Background:
Warehouseman; High School
Science Teacher

Educational Background: BA,
Denison University; MAT, University
of Chicago; JD, Lewis and Clark
Law School

Prior Governmental Experience: Director, Tigard-Tualatin Aquatic District 2010-2015

Qualifications

I have been actively involved with pool-related activities for 18 years:

- Aquatic District Director
- Former Swim Club Treasurer and President
- Former Swim Meet Official
- Lap Swimmer

Accomplishments

I am one of the 5 Directors who organized the Tigard-Tualatin Aquatic District (TTAD) following voter formation of the District in May 2010. During the next 5 years TTAD caught up on deferred maintenance and established a schedule and funding plan for future maintenance. TTAD also increased its staff and services within the tax base provided by the community.

Objectives

- Provide a safe pool environment
- Provide for fiscally sound pool operations, including timely maintenance
- Expand programs to maximize pool use
- Upgrade the user experience such as through on-line lesson registration and adding more fun activities
- Provide equitable access to all community user groups

Tualatin Valley Water District

Commissioner, Position 4

Lars D H Hedbor

Occupation: Technical Consultant,

Occupational Background:

Educational Background: Defense

Prior Governmental Experience: South Hero (Vermont) Planning Board, US Air Force

The work of the Tualatin Valley Water District is largely invisible, but we rely upon it every time we turn on the tap for a glass of water. It's critical that the leadership of this agency has **unquestionable personal ethics** and an unwavering commitment to the best interests of the ratepayers who depend upon their work.

I've lived in the metro area for decades, and have served our community in a wide range of nongovernmental organizations, ranging from science to education to politics. I'm eager to **extend that service** to represent a larger group of my friends and neighbors.

I am a passionate and informed advocate for wise and balanced conservation efforts, and deeply appreciative of the need to **safeguard our water supply** today and for generations to come. I believe it's essential that TVWD makes decisions based on careful consideration of all factors, and not just institutional inertia.

Our current budget projects continued **sharp rate increases** to pay for large capital projects, following inflation-adjusted **increases of over 160%** under my opponent's leadership. I want ratepayers to understand whether these reflect choices that best serve their needs, or other priorities and interests.

In helping to guide the leadership of an agency whose biannual budget is approaching a **quarter of a billion dollars**, I hope to improve TVWD's transparency and openness, and to further the board's record of inviting input from the ratepayers we represent.

My skills in building **trust based on mutual respect** will enable me to be a highly effective member of your TVWD board, working together with the entire team to ensure that we meet the important goals of this crucial organization. I look forward to representing your needs as your next TVWD commissioner.

Tualatin Valley Water District

Commissioner, Position 4

Richard P Burke

Occupation: Information Consultant and Public Policy Advocate, 2000 – present.

Occupational Background: Computer Network Consultant, 1989-2001.

Educational Background: B.S., Social Science, Portland State University, 1989.

Prior Governmental Experience: Elected TVWD Commissioner, 1999-present, current TVWD board president; Chair, Bull Run Regional Drinking Water Agency, 2002; 15-Year Member, American Water Works Association; Legislative assistant, Oregon State Senate, 2001; Elected Local School Committee member, Beaverton School District, 1994, 1997.

RE-ELECT RICHARD P. BURKE “PROVEN PERFORMANCE”

• Continuity and Stability

TVWD is protecting our region from natural disasters and other hazards by developing multiple water sources. While maintaining access to Bull Run water, breaking Portland’s monopoly will save more than \$1 billion over time and enhance our region’s economic independence. This will also attract investment and family wage jobs. I’ve worked on this project since 1999 will use my experience to see the project through for the benefit of us all.

• Saving Ratepayers Money

I took the lead in weaning TVWD completely off property taxes, which was accomplished in 2005. TVWD operations are now funded by water rates, not property taxes. Despite annual increases in the price of water we buy wholesale from Portland, TVWD has kept water affordable while encouraging conservation, improving water quality, and maintaining our water delivery infrastructure.

• Responsive to the People

Before supporting the development of new water sources, I insisted that TVWD conducted an extensive public input process. As board president, I increased the time each person is allotted to testify on any issue. I fought to ensure that no outside agency imposed changes on fluoride policies established by our ratepayers. I’ve presided over many public hearings on conservation, fluoride, water safety, and other issues. I have always remembered that we work for you.

It is an honor representing you as a TVWD commissioner. If re-elected, I will continue working with our board, staff, and ratepayers to secure clean, safe and affordable water for ourselves and future generations. Thank you.

Commissioner, Position 5

Jim Doane

Occupation: Retired Civil Engineer, now Community Volunteer

Occupational Background: Tualatin Valley Water District (TVWD) Commissioner; Retired Chief Engineer, City of Portland Water Bureau; Engineering Consultant

Educational Background: BS Engineering, UCLA (cum laude); MS Civil Engineering, California State University Long Beach

Prior Governmental Experience: Past member Oregon Seismic Safety Policy Advisory Commission and Oregon Board of Examiners for Engineering and Land Surveying

Jim has been a Board Member of TVWD since the late 1990s.

Jim and his family have enjoyed the benefits of living in the TVWD service area for nearly 40 years. In 2002, Jim retired from an engineering career with the Portland Water Bureau. Among his responsibilities was the supervision of the award winning residential and commercial water conservation programs and protecting water systems against disruption by natural and human caused events. Jim was “Oregon’s Government Engineer of the Year” for 2001. In 2013, he was awarded the American Water Works Association Distinguished Public Service Award.

Jim is a volunteer counselor at several nonprofit youth camps.

Jim knows that over the next four years TVWD will face critical decisions such as:

- **Water Quality**---It is necessary for TVWD to review the existing and proposed water quality standards set by the EPA and the Oregon Health Division to see if they provide sufficient protection, especially for young children. If they do not, then TVWD must set more stringent standards.
- **Water Quantity**---Intelligent water conservation is the key to ensuring a secure cost-effective future supply.
- **Water Supply**---After an extensive public process, TVWD, in partnership with the City of Hillsboro and potentially others, has embarked on an 11 year plan to tap a third source of supply. Jim will use his extensive engineering background to make sure that the public receives excellent value for its money.
- **Affordable Water**---Jim will use his 40 plus years in engineering to help TVWD keep rates as low as possible.

For all of these reasons, reelect Jim Doane to the TVWD Board.
