Name of District: Banks School District

Caption: The Banks School District Property Regulation Initiative

Question: Shall the Banks School District be prohibited from the demolition, decommission, or removal of Banks School District property?

Summary: This initiative seeks to prohibit the Banks School District's independent ability to make determinations on the demolition, decommissioning, or removal of Banks School District Property. Under the proposed initiative the Banks School District would only be able to demolish, decommission, or remove Banks School District Property through the express approval of the electors through subsequent ballot initiatives allowing a demolition, decommission, or removal of individual Banks School District properties.
