Voter Assistance Team

OUR MISSION

The mission of the Voter Assistance Team is to minimize barriers to participating in elections through education, outreach, and assistance to Washington County voters.

THE HELP AMERICA VOTE ACT (HAVA) OF 2002

The Help America Vote Act (HAVA) requires voting systems to be accessible for voters with disabilities in a manner that provides the same opportunity for access, participation, privacy, and independence as other voters.

THE VOTER ASSISTANCE TEAM

Specially trained Elections staff members are available to meet with voters in our office, virtually, or in-person at locations throughout Washington County.

Our staff can assist voters in areas such as:

Registering to vote

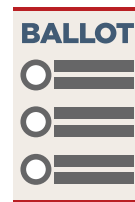

Completing signature stamp attestation forms

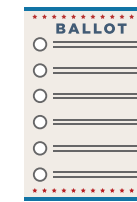

Marking a ballot

Enrolling in **ballottrax**

Accessing large print voter materials

Obtaining alternative ballot formats

Using voting technology, such as audio readers for Voters' Pamphlets

TRANSPARENCY & PRIVACY

When assisting voters, our staff always operate in teams of two people who are of different political affiliations.

All assistance provided by the Voter Assistance Team is held in strict confidentiality.
