Veterans Gateway

Veterans Gateway Memorial

An area adjacent to the light rail train stop (Fairplex) at the Washington County Fairgrounds was dedicated in 2010 to become the Veterans Gateway.

Since that time, many refinements have been made. Veterans Drive which runs through the Fairgrounds was developed by the City of Hillsboro. This treelined drive features a bike lane and defines the other border to the Gateway. A large area around the established flagpoles was finished in stone pavers. Grants from the Oregon Parks and Veteran Memorial Fund has allowed continued development and landscaping to the area.

Stones to honor an individual veteran can be purchased for \$75 each. If information about your veteran is unknown, you may request the dates of service from the National Archives at www.archives.gov/veterans.

Military, veterans and service organizations as well as businesses who wish to support this project and our veterans may also purchase stones for \$100 each.
