

# Washington County Housing Services

Woodspring update as of December 17, 2022

## Updated Timeline

## What does a housing counselor do?

Hi! My name is Jay Nordhagen, and I'm the housing counselor who's going to be offering 1:1 services. This can look different for each person depending on the needs and goals. Working 1:1, we can target specific needs and make a game plan for the payment you receive. Additionally, we can look into other resources that could be beneficial. These can include, but are not limited to:

- SNAP
- SSI/SSDI
- Apartment search and application
- Legal resources
- Utility assistance

## Next steps

We want to make sure that everyone who is eligible and interested is able to register. We are working now to create a registration that is as accessible as possible. Jay is available to answer any questions or concerns over phone or email 8am-5pm Monday-Friday. Registration will be open for 30 days. After registration has closed payments will begin. This is a one-time lump sum payment that will be determined once we know how many people will be paid. Jay will continue to be available for services after payments.

## To be determined

- Will Housing Choice Voucher recipients be included?
- Will tenants who recently left be included?
