# **RURAL ROADS OPERATIONS AND MAINTENANCE ADVISORY COMMITTEE MEETING**

---

<h2><b>Agenda Summary</b></h2>
--------------------------------

**1. Welcome, Introductions, & Approval of July 2022 Minutes**

The RROMAC Chair opens the meeting, invites participants to introduce themselves, and asks RROMAC members for a motion to approve the minutes.

**2. Guest Comments**

RROMAC is a board-appointed advisory committee; its meetings are open to the public. Members of the public are welcome to attend meetings and speak during the Guest Comment period, but they do not participate in the actual committee discussions. The time limit for guest comments is usually two (2) minutes per person, but the Chair can adjust that time at their discretion.

**3. Report: Roundabouts**

Roundabouts are a sustainable alternative for intersections where two or more roads come together. Staff will provide information about roundabouts and update about the statuses of roundabouts currently under construction in Washington County.

**4. Report: Rural Disaster Preparedness Organization – Emergency Transportation Routes – Phase 2**

County Emergency Management works to minimize the effects of major emergencies and disasters on the community. Emergency Management staff will report on what is happening in the county and the state to stay prepared.

**5. Briefing: Transit Development Plan**

Our Transit Development Plan lists priorities for each two-year state budget. It also includes public transportation longer-term priorities. Staff will report the status and priorities of the plan to the committee.

**6. Briefing: Winter Forecast**

Winter in Washington County is diverse and could lead to weather conditions that include flooding, high winds, snow, and ice. Staff will brief the committee on the county's plan for managing the forecasted inclement weather.

**7. Update: Service Requests**

Throughout the year, community members contact the County to request various types of road services. Staff will update the committee on service requests received for the rural area and the timeliness of the County's response.

**8. RROMAC Member Roundtable**

This is an open discussion among committee members - an opportunity for members to provide general comments. Topics raised and discussed are usually not related to items already scheduled for the agenda.

**9. Meeting wrap-up**

- Please enter your first and last name upon entering the meeting.

### General guidance:

- Microphones: Keep microphones muted unless speaking (you can hold down the space bar to unmute temporarily, then release the space bar to switch back to mute).
- Presentation slides will be managed by County staff; presenters should ask staff to advance slides.

### Questions/Comments from Committee members and presenters:

- To ask a question or comment, use the “raise your hand” feature in Zoom. To “raise your hand”:
  - Depending on your version of Zoom, you may need to click the “Participants” or “Reactions” button at the bottom of the screen to access the “raise hand” feature.
  - \*9 will “raise your hand” if you are calling in via phone.
  - If all else fails, wave your hand on camera.
- Sherri McFall will monitor raised hands and coordinate with the Chair to call on others to speak.

### Public comment opportunities:

- The Chair will invite staff, guests and other members of the public to introduce themselves and to ask questions. At that time, microphones will be unmuted.
