LUT CURRENT PLANNING FEE SCHEDULE FOR FY 2021

per R&O 20-65

(For all applications submitted between January 1, 2021 and June 30, 2021)

POLICIES RELATING TO FEES: Determining the Correct Fee. The appropriate fees for Type I, II or III requests for the Rural area are listed on pages two and three and for the Urban area on pages four and five under the heading, "Application Fee". For Category A, B and C applications, refer to the Type I, II and III columns, respectively. The Final Approval fees for Type I and Type II applications are listed in the second column of each procedure type. For Type III procedures, the Final Approval fee (if required) is the same as identified in the Final Approval column for the corresponding Type II procedure. Some land use requests require surcharges, which are listed on page six. Engineering deposits, when required, are separate charges.

- 1. Development Review Valuations.** Development Review fees are based on the total cost of all on-site improvements, including buildings, landscaping (and irrigation), paving (includes hard surfaced storm drainage and private streets), and required open space; not included are land costs, administrative and professional fees and other governmental fees. Development review fee applies to commercial, industrial, institutional, and capital improvement projects, but not residential projects.
- 2. Fees Due.** Unless otherwise specified by the Code, all fees are due at the time of application or appeal of a land use decision. Failure to submit the required fee with an application, reconsideration or notice of appeal, including return of checks unpaid or other failure of consideration, may be a jurisdictional defect. All fees shall be rounded off to the nearest whole number.
- 3. Fee Waivers.** The Department of Land Use and Transportation may waive fees otherwise required under Current Planning (Development Services), with the exception of applications that will result in land divisions. Any individual who believes that he/she cannot pay the fees required may make application for a waiver. A waiver may be allowed only when the individual applying for a fee waiver is both an applicant and owner of the property that is the subject of the application fee. The individual must also be a non-corporate entity. The request must be submitted on a fee waiver form as provided by the Department and include a certification demonstrating family income that is at or below the low-income figure adjusted for household size which is obtained from the U.S. Department of Housing and Urban Development. Meeting the family income requirement alone does not entitle an individual to a fee waiver. The Director may require additional evidence and consider other factors that are relevant to assessing an individual's ability to pay including but not limited to the value of assets owned by the applicant, the value of the property that is the subject of the application fee, and the potential for additional income from the development of that property. The Director shall waive a fee under this section upon a determination that the applicant is unable to pay the fee, based on meeting the low-income standard, and considering assets and income potential if applicable.
- 4. Fee Refunds.** In cases of withdrawal of an application, refunds of fees may be made, less the costs incurred by the County, as determined by the Director. If a subsequent appeal is filed, a new fee is required. If an applicant withdraws an application after an appeal of the decision is filed and the appeal fee is refunded to the appellant, then the original applicant is responsible for reimbursing the County for costs incurred in processing the appeal.
- 5. Fee Changes.** To the extent the fees are not a legislative matter under the County Charter, the fees may be amended by Resolution and Order of the Board of County Commissioners. Fee amounts listed in this schedule which are specified or mandated by state or Federal rule, regulation, or statute are subject to change without further or additional County Board of Commissioners approval.

NOTE: There is a \$75 Groundwater Study surcharge on all RURAL Applications
(except Temporary Health Hardship Renewals, Home Occupation Permit Renewals, and Final Approvals)
