

ELWERT-KRUGER INTERSECTION PROJECT PROJECT BACKGROUND

Original project limits

Elwert-Kruger Intersection Improvement Project was selected for funding in 2012.

Road improvements related to new school

Project was expanded in 2018 to include improvements required for the new high school construction.

Additional improvements include:

- Sidewalks
- Sewer and drainage improvements
- Utility relocations/undergrounding
- Street lighting
- Landscaping
- New/improved traffic signals at the intersections of:
 - Highway 99W/Elwert Road
 - Elwert/Haide roads
 - Elwert/Edy roads
