## **RURAL ROADS OPERATIONS AND MAINTENANCE ADVISORY COMMITTEE MEETING**

---

**Thursday, April 14, 2022**

**7:30 a.m. to 9:30 a.m.**

### **1. Welcome, Introductions, & Approval of January 2022 Minutes**

The RROMAC Chair opens the meeting, invites participants to introduce themselves, and asks RROMAC members for a motion to approve the minutes.

### **2. Guest Comments**

RROMAC is a board-appointed advisory committee; its meetings are open to the public. Members of the public are welcome to attend meetings and speak during the Guest Comment period, but they do not participate in the actual committee discussions. The time limit for guest comments is usually two (2) minutes per person, but the Chair can adjust that time at their discretion.

### **3. Report: Traffic Safety in the Rural Area**

A representative of the Washington County Sheriff's Office will give an update on traffic safety in the rural area and to share any trends they are seeing that are road-related.

### **4. Training: Public Meetings**

Public agency public meetings are governed by specific rules and protocols. County Counsel will offer a presentation to members outlining these rules, giving examples, and answering questions related to public meetings.

### **5. Report: Capital Projects**

The Capital Projects Services Division Manager will report on current and upcoming road construction projects.

### **6. Report: Pavement Condition Index**

This is a routine report of the current PCI of the rural road network.

### **7. Approval: Member Term Date Change**

Current term dates are January 1 to December 31. RROMAC members previously agreed to change the dates of member terms to begin on October 1 and end on September 30, which requires a change to committee bylaws. A vote is required when proposing to change bylaws. During this topic, Chair Behrman will ask for a motion and the committee will vote.

### **8. RROMAC Member Round Table**

This is an open discussion among committee members - an opportunity for members to provide general comments. Topics raised and discussed are usually not related to items already scheduled for the agenda.

### **9. Meeting Wrap-up**

This final agenda item is an important time to (1) discuss follow-up with past outstanding action items, (2) identify new action items from this meeting, and (3) schedule the next meeting.

- Video: Panelists are asked to leave video unmuted, to help other panelists and staff see who is participating in the meeting.
