Comment on the Washington County Vision for Transit now through March 1

The County's vision for transit over the next 20 years is to serve the travel needs of people who live, work, and visit Washington County and to help more people use transit. Transit provides economic opportunities and improves livability. What do you think about our priorities for transit for the next 20 years? Visit the online open house to learn more and comment: <https://transitvision2024.washcoopenhouses.org/>
