

CPO 6 meeting 09-07-23

Meeting start – 7p

Attendance – about 12 people online; 15 or so in person

Welcome & Intro

Public Safety Update

Tualatin Hills Park & Rec Update

Tim Bonnin updating

- Audio patchy. Updates about some events; also that the water district now updating

Sheriff's Office – unknown who did the updating

- Crime map shown

TV Water District

Justin Dyke updating

- Near completion of water site 209th & Farmington
- Question about when construction on piping project would be complete, disruptive to neighborhood
 - o Updated some complexities with project & difficulties of getting water up Cooper Mountain – will provide link to project page for updates. Co-project with City of Beaverton to connect reservoirs - <https://www.tvwd.org/district/project/kemmer-road-intertie-project>

Question for THPRD (came up later in the meeting) – “I had a question for THPRD in regards to the construction that had been planned for SW Blanton Road or SW Shaw St. It was supposed to have already been in the construction phase, however I have not heard that they reached a decision on which road.”

Community Questions

Vienna Roberts – interested in safe routes to school; will be reaching out to Becky

Additional question about pedestrian safety with street upgrades making roads more like highways

CPO 6 info

Leadership intros

Land use statement – we could use another person on the leadership committee to go through update stack on a monthly basis and provide updates on upcoming and current projects

Interest in finding a location for meetings

- Bruce from CCI suggestion – CPO 1 has a wall at the library and lets people know when the land use info is posted there

Interest in potential other locations for meeting – limited funds to reserve spaces

Adjourn 843p
