### 4 Protective Sweep Authorization

A protective sweep is a visual inspection of a home or business by law enforcement personnel when an alarm is activated, the premise is unsecured or shows signs of forced entry, and when a responsible person is not immediately available to give or refuse consent for the officer to enter. You may change your decision at any time by completing a new form.

**Selection of one below is mandatory (Failure to select either one will designate your property as "do not consent")**

I DO give consent for law enforcement to conduct protective sweeps when responding to alarm events at my premise.

I DO NOT give consent for protective sweeps. I understand that without additional details of a crime in progress, or without a responsible person immediately available to provide consent to enter, law enforcement will not conduct a protective sweep when responding to alarm events at my premise.
