Sheriff Pat Garrett**

PRESS RELEASE

Sheriff's Office DUII Results for November and the Thanksgiving Holiday

December 12, 2016 – During the month of November, Sheriff's Deputies arrested 119 people for Driving Under the Influence of Intoxicants (DUII). Of those 119, 30 people were arrested over the long Thanksgiving weekend from November 24th – November 27th. Several of the arrests were made by deputies on patrol through grant funding specifically designated for DUII enforcement provided from the Oregon Department of Transportation and the National Highway Traffic Safety Administration.

The Washington County Sheriff's Office has a strict no-tolerance approach to impaired drivers that continue to threaten the public's safety. Every year around the holidays, the Sheriff's Office increases the number of deputies on the road looking for DUII drivers.
