Deputies Search for Missing Endangered Aloha Man

March 9, 2016 – Sheriff's Deputies are searching for a man that has been reported missing and is possibly in danger due to health issues.

This evening, March 9, 2016, James Gleason's daughter requested Sheriff's Deputies check her father's welfare at his home in the community of Aloha. The daughter lives out of state. Sheriff's Deputies searched but were not able to locate Mr. Gleason or his vehicle. Sheriff's Deputies placed a region wide notification to all law enforcement concerning this case.

Mr. Gleason was reported to have memory issues that could cause him confusion and make it difficult for him to communicate or find his way home. Sheriff's Deputies also believe Mr. Gleason is without his critical medication that if not taken could cause serious medical issues.

The last time Mr. Gleason was seen or heard from was in the evening of March 7th. It is very unusual for Mr. Gleason to be out of contact with his family and friends for this extended period of time.

James Gleason is 73 years old and is described as being 6'1" tall, 220 pounds with white hair and beard with blue eyes (photo inset). It is unknown what type of clothing he was wearing when he went missing. The vehicle associated with Mr. Gleason is

a white 2007 Chrysler PT Cruiser with Oregon license plate number 607EDN (similar vehicle pictured).

The Washington County Sheriff's Office is requesting the public's help with this case. If anyone has information regarding the whereabouts of James Gleason or his vehicle, please call 503-629-0111.
