## Join WCSO as a RESERVE DEPUTY!

**Are you interested in serving your community  
without making a full-time commitment?  
Become a reserve deputy with us!**

Reserve deputies are sworn volunteer law enforcement professionals who work alongside full-time patrol deputies to protect and serve our community. Many of our reserve deputies contribute their unique experiences and skills while balancing full-time jobs.

### **Benefits of the program:**

- **Comprehensive Training:** Attend a 360-hour interagency academy and receive training equivalent to full-time deputies.
- **Flexible Commitment:** Contribute just 30 hours every 3 months.
- **Professional Uniforms:** Wear the same uniforms as WCSO deputies.
- **Community Impact:** Assist with the DUII Victim Panel, traffic enforcement, focused patrol missions, critical incidents, and provide security and outreach at special events.

This is a fantastic opportunity for those interested in law enforcement and serving their community.
