Current Levies

Public Safety Levy

Library Levy

Public Safety Levy Summary

Proposal would replace expiring levy with:

- Five-year levy, beginning July 2016
- Rate continuing at 42¢ per \$1,000 assessed value no increase since levy was first approved in 2000
- With anticipated assessed value growth, most residential property tax payers would pay \$4 more than in 2015

Renewed levy would help support:

- Countywide public safety services such as special enforcement teams, jail, work-release center, prosecution, probation & parole and juvenile services
- A mental health response team so people in crisis get medical help instead of being taken to jail
- Shelter for women and children who are victims of domestic violence

Library Levy Summary

Proposal would replace expiring levy with:

- Five-year levy, beginning July 2016
- 5¢ rate increase from 17¢ to 22¢ per \$1,000 of assessed value, would be 1st increase since 2006

Renewed levy would help support:

- Maintaining patron access to basic services
- Increasing efficiencies in service delivery
- Increasing e-content access and options
- Improving reading and learning support for children and youth
